ASSIGNMENT AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, we, **COSTIN RAICIU** and **MARK JAMES HANDLEY** have sold, assigned and transferred and do hereby sell, assign and transfer unto **S.C. CORRECT NETWORKS S.R.L.** (hereinafter "**ASSIGNEE**"), a company of Romania, having a principle place of business at Intrarea Ezareni nr. 10, Apt. 2, Bucharest, 010258, Romania, and its successors, assigns and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in a **METHOD FOR TRANSFERRING INFORMATION ACROSS A DATA CENTER NETWORK** described, illustrated and claimed in an application for Letters Patent of the United States of America, filed on July 30, 2020 as U.S. Application Serial No. 16/943,245, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and upon any division, extension, continuation or reissue thereof. We hereby authorize and request attorneys, Rosenbaum IP, P.C., to insert above the filing date and application number of said application when known.

We also hereby sell, assign and transfer unto the said **ASSIGNEE**, the entire right, title and interest in and to said invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said inventions and said applications for Letters Patent in foreign countries, and we further authorize the said **ASSIGNEE** to apply for Letters Patent in foreign countries directly in its own name, and to claim the priority of the filing date of the said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

We hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to the **ASSIGNEE** for the sole use and behoof of said **ASSIGNEE**, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by us had this assignment not been made, and we hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to the said **ASSIGNEE**.

We agree that, when requested, we will, without charge to said ASSIGNEE, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in all countries and for vesting title thereto in said ASSIGNEE, its successors, assigns and legal representatives or nominees.

We covenant with said ASSIGNEE, its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
