DEED OF ASSIGNMENT

THIS DEED made the ____ 17th of _____ March _____ two thousand and twenty one (2021)

BETWEEN,

Lawrence Richard Scripp
31 Matchett Street, Brighton, MA 02135

[hereinafter referred to as "the Assignor"]

AND

MindChamps Music Pte. Limited
6 Raffles Boulevard, #04-100 Marina Square, Singapore 039594

[hereinafter referred to as "the Assignee"]

WHEREAS the Assignor is the inventor of the Combined Music Literacy Matrix Manipulative System (MLMMS) and Integrated Multiple Musical Instrument Learning System (IMMILS) (hereinafter referred to as "the Invention")

AND WHEREAS the Assignor has agreed to assign to the Assignee and the Assignee desires to take assignment of all rights, title and interest of the Assignor in the Invention,

NOW THIS DEED WITNESSETH

1. In consideration of the sum of one dollar (\$1) and other good and valuable consideration receipt of which is hereby acknowledged by the Assignor, the Assignor hereby assigns only to the Assignee all of his rights, title and interest in and to the Applications including:

- (a) all rights and powers to make one or more applications for Letters Patent, Design or other forms of protection in the name of the Assignee in Singapore, the United States of America and in any other country of the world in respect of the Invention or Design, and all rights, title and interest in and to any Letters Patent, Design or other form of protection to mature from any such applications,

- (b) the rights and powers to prosecute the applications and all rights, title and interest in and to any Patents or Design granted thereon together with any extension of the term of any such Patents or Design as may be granted, SAVE THAT nothing in this Deed shall prevent the filing or proceeding of an application to which this Deed relates, in the name of the Assignor or Inventor where such filing or proceeding of such application is beneficial to the interests of the Assignee
- (c) the rights and powers to seek protection in countries other than Singapore by way of Patent, Petty Patent, Utility Model, Design or other appropriate form of protection for the Invention or Design, by way of application(s) for such protection made to the appropriate authorities in such other country or countries as the Assignee in its complete discretion may elect, whether or not any such foreign application(s) be made claiming International Convention priority from the Application hereby assigned
- (d) any Copyright owned by the Assignor in and to any drawings relating to the subject matter of the Invention or Design together with the rights and powers such as subsist at the date of this Deed
- (e) to apply for registration of Copyright, Design, Design-Patent or like protection in the name of the Assignee in Singapore and in any other country of the world in respect of the subject matter of the said drawings and to any registration of Copyright, Design-Patent or like protection which matures from any such application, together with the rights to sue in respect of any infringement of that Copyright which may have occurred before the date of this Deed

2. The Assignor agrees, at the expense of the Assignee, to sign, execute and deliver all documents, forms and papers reasonably required to be produced or obtained by the Assignee in connection with any application for Letters Patent or Design, or other form of protection for the subject matter of the Invention or Design, in Singapore or elsewhere.

3. The Assignor stipulates that the assignment of the Invention is granted only to the Assignee, that is, the Invention cannot be reassigned to another person or legal entity at any time without the permission in writing of the Assignor, and if the Patent were to be assigned elsewhere without the permission in writing of the Assignor, the assignment of the Invention and Patent would revert back to the Assignor.

IN WITNESS WHEREOF the Assignor and Assignee executed this Deed the day and year first hereinbefore written.
