ASSIGNMENT

I, Atul Saini, hereby declare that I am the sole inventor of the invention relating to the granted patent titled "Real Time Push Notification in an Event Driven Network", patent number 7617162, granted in the United States Patent and Trademark Office, on July 15, 2005.

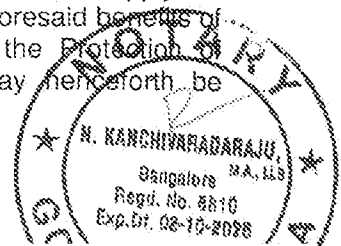

For good and valuable consideration, receipt, adequacy and sufficiency of which is hereby acknowledged, I hereby assign and transfer to **FIORANO SOFTWARE INC.**, (hereinafter "Assignee"), a US Company, with its principal place of business located at Suite 103, 230 California Avenue, Palo Alto, California 94306, USA duly organized and existing under the laws of the United States of America (hereinafter "the US"), our entire right, title, and interest in and to said invention(s) and said patent. We further authorize the Assignee, its successors, assigns, nominees and legal representatives to hold and enjoy the Patents, to the full end of the term(s) for which said Letters Patent(s) is granted, reissued, or extended, as fully and entirely as the same would have been held and enjoyed by us, had this assignment, sale, and transfer not been made;

I hereby covenant that we have full rights to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith;

I further covenant and agree that I will, each time a request is made, without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention, said application and all Letters Patent(s) that is issued, to the Assignee, its successors, assigns, nominees and legal representatives; communicate to the Assignee, its successors, assigns, nominees and legal representatives, all known facts respecting said invention, and said Letters Patent(s); testify in any and all legal proceedings; sign all lawful papers; execute all disclaimers and non-provisional patent applications, divisional, continuation, reissue, and foreign applications; make all rightful oaths; and generally do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said invention or improvement(s) in any and all countries, all at the expense of the Assignee, its successors, assigns, nominees or legal representatives;

I authorize the Assignee, its successors, assigns, nominees and legal representatives, to make an application for patent or other form of protection for said invention in its or their own name, or in our names, in any and all countries, and to invoke and claim for any application for patent or other form of protection for said invention filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us;

I hereby consent that a copy of this Assignment shall be deemed a full, legal, and formal equivalent of any Assignment, consent to file or like document, which may be required in any country for any purpose, and more particularly, in proof of the right of the Assignee, its successors, assigns, nominees and legal representatives, to apply for patent or other proper protection for said invention, and to claim the aforesaid benefits of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it;

**PATENT****REEL: 060394 FRAME: 0400**

I hereby authorize and request the United States Patent and Trademark Office and any official of any country or countries foreign to the US who has issued the Letters of patent on applications as aforesaid, issued to the Assignee, as assignee of the entire right, title, and interest, any and all Letters Patent(s) for said invention, including any and all Letters Patent(s) which is issued and granted, in accordance with the terms of this Assignment.
