ASSIGNMENT

We, Dennis G. Lamser of 152 Kelleher Street, Marlborough, MA 01752, John R. Mensch of 2016 Oakview Lane, Plymouth, MN 55441 and Riyad Moe of 301 West Third Street, Waunakee, WI 53597, having invented improvements in ENDOSCOPIC CUTTING FORCEPS WITH JAW CLAMP LEVER LATCHING MECHANISM and having executed an application for United States patent describing the same and based thereon (and we hereby authorize our attorney(s), authorized to prosecute said application, to here insert the filing date and serial number of said application, when known, Serial No. 14/706,146, filed 05/07/2015), for good and valuable consideration, receipt of which is hereby acknowledged from Gyrus ACMI, Inc., d.b.a. Olympus Surgical Technologies America, a Delaware corporation having a place of business at 136 Turnpike Road, Southborough, MA 01772, hereinafter called the Assignee (which term shall include its successors and assigns), do hereby sell, assign and transfer unto the Assignee our entire right, title, and interest, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to and under said application (which term shall include hereinafter where the context so admits all divisional, continuing, reissue and other patent applications based thereon) and the inventions (which term shall include each and every such invention, or any part thereof) therein described, and any and all patents and like rights of exclusion (including extensions thereof) of any country which may be granted on or for said inventions or on said application.

And for the same consideration we do also hereby sell, assign and transfer unto the Assignee all our rights under the International Convention for the Protection of Industrial Property and all other treaties of like purpose in respect of said inventions and said application and we do hereby authorize the Assignee to apply in our names or its own name for patents and like rights of exclusion on or for said inventions in all countries, claiming (if the Assignee so desires) the priority of the filing date of said application under the provisions of said Convention or any such other treaty;

And for the same consideration we do hereby jointly and severally agree for ourselves and for our respective heirs, executors and administrators, promptly upon request of the Assignee, to execute and deliver without further compensation any power of attorney, assignment, original, divisional, continuing, reissue or other application or applications for
