ASSIGNMENT and DECLARATION

We, **Arieh Don, Scott Rowlands, and Erik Smith**, have conceived of an invention as described in a United States patent application entitled

**DISCOVERING HOST-SWITCH LINK AND ISL ISSUES FROM THE STORAGE
ARRAY,**

the specification of which:

- ☒ [X] has been completed and is being filed in the United States Patent Office contemporaneously with this assignment.
- ☐ [] was filed on _____ as U.S. Application No. _____.
- ☐ [] was patented under U.S. Patent No. _____ on _____.

Dell Products L.P. (hereinafter "ASSIGNEE"), a limited partnership having a usual place of business at 176 South Street, Hopkinton, Massachusetts 01748 desires to acquire an interest therein in accordance with agreements entered with us.

In consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned, and transferred, and do hereby sell, assign, and transfer to ASSIGNEE, its successors, assigns, and legal representatives, the entire right, title, and interest in and throughout the United States of America, its territories and all other countries, in and to the invention as described in the patent application, together with the entire right, title, and interest in and to the patent application and any and all patents that may issue therefrom; said invention, patent application, and patents to be held and enjoyed by the ASSIGNEE for its own use and behalf and for its successors, assigns, and legal representatives, to the full end of the term for which said patents may be granted as fully and entirely as the same would have been held by the inventors had this assignment and sale not been made; we hereby convey to ASSIGNEE all rights arising under or pursuant to any and all international agreements, treaties, and laws relating to the protection of industrial property by filing any such applications for Letters Patent. We hereby acknowledge that this assignment, being of the entire right, title, and interest in and to said invention, carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all patents by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all such patents to ASSIGNEE for its own name as assignee of the entire right, title, and interest therein.

We hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention to the ASSIGNEE, its successors, assigns, and legal representatives, but at its or their expense and charges, including but not limited to the execution of applications for patents in foreign countries, and the execution of substitution, reissue, divisional, or continuation applications and preliminary or other

statements and the giving of testimony in any interference or other proceeding in which said invention or any application or patent directed thereto may be involved;

We do hereby authorize and request the Commissioner of Patents of the United States to issue such patents as shall be granted upon said patent application or applications based thereon to said ASSIGNEE, its successors, assigns, and legal representatives.

We do hereby appoint as our attorneys Holmes Anderson and John Gorecki of Anderson Gorecki LLP, whose full office address is One Marina Park Drive, Suite 1410, Boston, MA 02210, to prosecute the US patent application and authorize those attorneys to correct errors in this Assignment and to insert any further identification and other information necessary or desirable to make this Assignment suitable for recording in a domestic or foreign Patent Office.

As a named inventor, I hereby declare that: the above-identified application was made or authorized to be made by me; and I believe that I am the original inventor or an original joint inventor of a claimed invention in the application. I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
