**CONFIRMATORY ASSIGNMENT
FOR PATENT AND DESIGN APPLICATIONS**

Title of Invention	"MULTIPLE FULCRUM CUTTER" -- U.S. Patent Applications Serial Nos. 62/287,562 (filed Jan. 27, 2016); 15/417,647 (filed January 27, 2017) and 17/159,112 (filed January 26, 2021)
-------------------------------	---

This Confirmatory Assignment Agreement is made by and between James A. Rinner (ASSIGNOR) and Pacific Instruments, Inc., a Hawaii Corporation, having an address at 438 Hobron Lane, Ste. 204, Honolulu, Hawaii 96815, its heirs, successors, legal representatives and assigns (hereinafter designated as the ASSIGNEE).

WHEREAS the ASSIGNOR has invented certain new and useful improvements described in the above-identified application.

WHEREAS the ASSIGNEE has acquired the entire right, title and interest in and to said invention and in and to any Letters Patent(s) that may be granted therefor in the United States of America and in any foreign countries.

WHEREAS ASSIGNOR AND ASSIGNEE are parties to a licensing and assignment agreement in which, in exchange for various licensing payments by ASSIGNEE, ASSIGNOR has sold, conveyed, assigned and transferred to ASSIGNEE, the entire, full and exclusive right to the above-identified application in the United States of America, its territories, dependencies and possessions and the entire right, title and interest in and to any and all Letters Patent(s) which may be granted therefor in the United States of America, its territories, dependencies and possessions, and in any and all foreign countries to be obtained on said application or any divisions, reissues, substitute, continuations, conversions and extensions, reexamination, supplemental examination, post grant review, inter partes review, or other procedures thereof for the full term or terms for which the same may be granted.

CONFIRMATORY Assignment	NOW, THEREFORE , in consideration of the sum of one dollar (US \$1.00), and the prior agreement of the parties, the adequacy and receipt of which is hereby acknowledged by the ASSIGNOR, the ASSIGNOR hereby confirms that it has sold, assigned, transferred and conveyed to said ASSIGNEE the entire and exclusive right, title and interest to the application(s) and the invention(s) disclosed therein for the United States of America and all foreign countries and does hereby authorize said ASSIGNEE to apply for patents therefore in its own name in countries where such procedure is proper and to claim the priority right under the International Convention and agrees to execute all papers necessary in connection with said applications for such patents and divisions, reissues, substitute, continuations, conversions and extensions, reexamination, supplemental examination, post grant review, inter partes review, or other procedures thereof and also execute separate assignments in connection with such applications as the ASSIGNEE may deem necessary or expedient.
	The ASSIGNOR confirms that it agrees to execute all papers necessary in connection with the said application and any divisions, reissues, substitute, continuations, conversions and extensions, reexamination, supplemental examination, post grant review, inter partes review, or other procedures thereof and also to execute separate assignments in connection with such applications as the ASSIGNEE may deem necessary or expedient.
	The ASSIGNOR confirms that it agrees to execute all papers necessary in connection with any interference, litigation, or other legal proceeding which may be declared concerning this said application or divisions, reissues, substitute, continuations, conversions and extensions, reexamination, supplemental examination, post grant review, inter partes review, or other procedures thereof or Letters Patent or reissue patent issued thereon and to cooperate with the ASSIGNEE in every way possible in obtaining and producing evidence and proceeding with such interference, litigation, or other legal proceeding.

In witness whereof, executed by the undersigned.
