ASSIGNMENT

WHEREAS, WE, Matthew T. Wood, of 1710 Walnut Street, Kansas City, MO 64108 and Narin Tipsrisukond, of 1710 Walnut Street, Kansas City, MO 64108, have invented certain new and useful improvements in a

PROBIOTIC COMPOSITION AND FEED ADDITIVE

which is the subject of U.S. Patent Application No. 16/980,713, filed September 14, 2020; and

WHEREAS, Sustainable Community Development, LLC, d/b/a SCD Probiotics, a limited liability company duly organized under the laws of the State of Missouri, and having its principal place of business at 1710 Walnut Street, Kansas City, MO 64108, is desirous of acquiring an interest in, to, and under said invention, said Application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, WE, Matthew T. Wood and Narin Tipsrisukond, have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto said Sustainable Community Development, LLC, d/b/a SCD Probiotics, the full and exclusive right, title, and interest, throughout the world, in, to, and under the following:

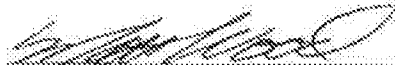

- (a) said invention as fully set forth and described in said Application;
- (b) any and all Letters Patent of the United States of America which may issue from said Application;

- (c) any and all non-provisional applications on said invention, including any and all refilings, divisions and continuations, based upon or claiming the priority of said Application, and any and all Letters Patent of the United States of America which may issue therefrom;
- (d) priority PCT Application Serial No. PCT/US19/22179, filed March 14, 2019;
- (e) any and all Letters Patent of the United States of America or of foreign countries which may issue from national stage applications claiming priority from said PCT Application;
- (f) any and all provisional applications on said invention, any and all non-provisional applications based upon or claiming the priority of any of said provisional applications, any and all refilings, divisions, and continuations of such non-provisional applications, and any and all Letters Patent of the United States of America or of foreign countries which may issue therefrom;
- (g) any and all reissues of any of said Letters Patent of the United States of America;
- (h) any and all applications for Letters Patent on said invention which have heretofore been filed or may hereafter be filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;
- (i) any and all refilings, divisions and continuations of said foreign-filed applications;
- (j) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed applications, refilings, divisions and continuations, and
- (k) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

All of the above shall be held and enjoyed by said Sustainable Community Development, LLC, d/b/a SCD Probiotics for its own use and behoof, and for its successors, legal representatives, and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent in accordance with this Assignment.

Assignors further agree to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignee's rights in the rights assigned herein.
