CONFIRMATORY ASSIGNMENT

WHEREAS, I, Casey Kresler ("Assignor"), a citizen of the United States of America, have invented in the course of my engagement with the Assignee named below, and subject to any and all contracts or obligations with said Assignee, new, original, and ornamental designs (hereafter "Inventions") which are disclosed and described in the applications and subsequently issued patents listed on the attached Exhibit A ("Applications" and "Patents," respectively); and

WHEREAS, BIRKENSTOCK GMBH & CO. KG ("Assignee" as referenced hereafter and above), a limited liability company operating and existing under the laws of Germany, having a place of business at Burg Ockenfels, 53545 Linz, Germany, is desirous of confirming their ownership and acquisition of the entire right, title, and interest in and to said Inventions, said Applications and Patents, together with any and all divisions, continuations, reissues and extensions thereof:

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby confirms that Assignor has assigned and hereby assigns, effective as of the filing dates indicated for the Applications and Patents listed on the attached Exhibit A, any and all of the entire right, title and interest Assignor may have in and to said Inventions, Applications and Patents, and any other Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, all Assignor's foreign rights to said Invention, and all Assignor's rights under the International Convention in respect to said Inventions, Applications and Patents. And Assignor hereby agrees to communicate to the Assignee or its representatives any facts known to Assignor respecting said Inventions and any improvements, to testify in any legal proceeding relating thereto, sign all lawful papers, execute all divisional, continuation and reissue applications, make all rightful oaths and in addition to execute any and all documents that may be required in order that the Assignee may make applications for Letters Patent on said Invention in foreign countries in its own name, subject to reimbursement by Assignee of any actual out-of-pocket costs incurred by Assignor or Assignor's employer in the execution of the above activities, including but not limited to travel, shipping, communication expenses; and further subject to, if the execution of the above activities requires in excess of two (2) hours of Assignor's time in any calendar year, compensation to Assignee's employer (or to Assignee, if Assignee is self-employed), for such time in excess of two hours at Assignor's then-hourly rate. And Assignor does hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for or upon said Inventions, Applications and Patents, or related applications unto the Assignee, its successors and assigns, in accordance with this assignment.
