ASSIGNMENT

WHEREAS Sadia Afroz, having a residential address of 2540 College Ave., Apt 203, Berkeley, California 94704, USA, and Armin Wasiocek, having a residential address of 7021 Cutting Boulevard, El Cerrito, California 94530, USA (the "Assignors"), are the inventors of a certain new and useful invention (the "Invention") relating to:

Data Sharing and Storage Control System and Method

for which a patent application was filed in the United States under application number 17/028,182 (the "Application"); and

WHEREAS, Assignors are the owners and in full possession of the entire right, title and interest in and to said Invention, in and to said Application and in and to any and all Letters Patent that may be granted therefor; and

WHEREAS Avast Software s.r.o., a corporation duly organized under the laws of the Czech Republic, (hereinafter referred to as "Assignee"), having its principal office and place of business at Piktova 1737/1a, 140 00 Praha 4, Czech Republic, is desirous of acquiring the entire right, title and interest in and to said Invention, in and to said Application and in and to any and all Letters Patent that may be granted therefor; and

NOW, THEREFORE, to all whom it may concern, be it known that, for \$1.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors do hereby sell, assign and transfer unto said Assignee, the entire right, title and interest within the United States, its territories and possessions, and all foreign countries, in and to said Invention, said Application, and any and all Letters Patent that may be granted therefor in the United States, its territories and possessions, and all foreign countries, together with any and all provisionals, non-provisionals, continuations, continuations-in-part, divisions, reissues, renewals, reexaminations, substitutes or extensions thereof, and including all rights to claim priority, and

Assignors do hereby authorize and request all appropriate domestic and foreign patent or government authorities in foreign countries to issue in accordance with this Assignment any and all Letters Patent that may be granted, either on said Application or otherwise for said Invention.

ASSIGNORS further covenant and agree that they will, at any time upon request, execute and deliver any and all documents that may be necessary or desirable to perfect Assignee's rights in and to the Invention and any and all United States and/or foreign Letters Patent that may be granted on said application or otherwise for said Invention.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year written below.
