ASSIGNMENT

WHEREAS, we, the following named inventors:

1. Richard GIACCARDI, residing in Colmar, France; and
2. Hugues WINKELMULLER, residing in Saint Coix en Plaine, France;

have invented an invention entitled **SEALING ARRANGEMENT**, for which we have executed an application for Letters Patent of the United States (check one):

- () on the date we executed this assignment; 17/648,639 filed 1/21/2022 ;
(X) as U.S. Patent Application No. _____, filed _____ ;
() as International Application No. _____, filed _____ ;

We authorize the attorneys/agents authorized to act under Customer Number 145572 to insert the filing date and application number of said application when known.

WHEREAS, LIEBHERR-COMPONENTS COLMAR SAS (“Assignee”), a French organization, having its principal place of business at 43, Rue Frederic Hartmann, Colmar Cedex, 68025 France, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, the above named inventors, have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto Assignee, the full and exclusive right to the above-identified invention in the United States and its territorial possessions and in all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries, and in and to any and all divisions, reissues, continuations and extensions thereof, and all priority rights under all present or future conventions and treaties, and any provisional applications for which priority is claimed.

We hereby authorize and request the Patent Office officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to Assignee, as the assignee of our entire right, title and interest in and to the same, for the sole use of the Assignee, their successors and assigns.

Further, we agree that we will communicate to Assignee, or their representatives, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitution, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to Assignee, make all rightful oaths and generally do everything possible to aid Assignee, their successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.

IN TESTIMONY WHEREOF, we have hereunto set our hands on the dates indicated below.
