ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, the undersigned, do hereby:

SELL, ASSIGN AND TRANSFER to **Trinity Bay Equipment Holdings, LLC** (the "Assignee"), a Texas corporation, having a place of business at 1201 Louisiana Street, Suite 2700, Houston, TX 77002, United States of America, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements and inventions which are disclosed in the provisional patent application for United States Letters Patent, Serial No. 62/355,812, filed June 28, 2016 and PCT/US17/39096 filed on June 23, 2017, entitled **HALF-MOON LIFTING DEVICES**; such application and all provisional, non-provisional, divisional, continuing, continuation-in-part, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries corresponding or relating to such application or to any of such improvements and inventions; all original and reissued patents which have been or shall be issued in the United States and all foreign countries corresponding or relating to such application or to such improvements and inventions; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States;

AUTHORIZE AND REQUEST counsel for the Assignee to insert the serial number and filing date in the blanks above, after receipt of the information from the U.S. Patent and Trademark Office;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT that, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements and inventions; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to the subject matter of such applications or to such improvements and inventions and the history thereof; and generally do everything possible which the Assignee shall consider desirable for securing, maintaining and enforcing proper patent protection for the subject matter of such applications or to such improvements and inventions and for vesting title to the patent applications or to such improvements and inventions in the Assignee;

TO BE BINDING on the heirs, assigns representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
