**PATENT SECURITY AGREEMENT**

This **PATENT SECURITY AGREEMENT**, dated as of June 30, 2022 (this “Agreement”), is made by each of the signatories hereto indicated as a Grantor (each a “Grantor” and collectively, the “Grantors”) in favor of MidCap Funding IV Trust, as collateral agent (in such capacity, and together with its successors and assigns, the “Collateral Agent”) for the benefit of the Secured Parties.

**WHEREAS**, pursuant to that certain Super-Priority Senior Secured Debtor-in-Possession Asset-Based Revolving Credit Agreement, dated as of June 30, 2022, by and among Revlon Consumer Products Corporation, a Delaware corporation and a debtor and debtor-in-possession under chapter 11 of the Bankruptcy Code (the “Borrower”), Revlon, Inc., a Delaware corporation and a debtor and debtor-in-possession under chapter 11 of the Bankruptcy Code (“Holdings”), the banks and other financial institutions or entities (the “Lenders”) from time to time parties thereto and MidCap Funding IV Trust, as administrative agent (in such capacity, the “Administrative Agent”) and Collateral Agent for the Lenders (as the same may hereafter be amended, restated, supplemented or otherwise modified from time to time, the “DIP ABL Credit Agreement”), the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and conditions set forth therein;

**WHEREAS**, as a condition precedent to the obligation of the Lenders to make their respective extension of credit to the Borrower under the DIP ABL Credit Agreement, the Grantors entered into the DIP ABL Guarantee and Collateral Agreement, dated as of June 30, 2022 (as amended, restated, supplemented or otherwise modified from time to time, the “DIP ABL Guarantee and Collateral Agreement”) between each of the Grantors and the Collateral Agent, pursuant to which each of the Grantors granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in the Patent Collateral (as defined below); and

**WHEREAS**, pursuant to the DIP ABL Guarantee and Collateral Agreement, each Grantor agreed to execute and deliver this Agreement, in order to record the security interest granted to the Collateral Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office.

**NOW, THEREFORE**, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Collateral Agent as follows:

**SECTION. 1. Defined Terms**

Capitalized terms used but not defined herein shall have the respective meanings given thereto in the DIP ABL Guarantee and Collateral Agreement, and if not defined therein, shall have the respective meanings given thereto in the DIP ABL Credit Agreement.

**SECTION 2. Grant of Security Interest**

Each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, all of such Grantor’s right, title and interest in and to the following property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time

in the future may acquire any right, title or interest (collectively, the "Patent Collateral") as collateral security for the payment or performance, as the case may be (whether at the stated maturity, by acceleration or otherwise), of the Secured Obligations:

(i) all letters patent and all applications for the issuance thereof, including, without limitation, those United States patents and patent applications listed in Schedule A attached hereto (ii) all continuations, divisions, continuations-in-part or renewals thereof, (iii) all rights to obtain any reissues or extensions of the foregoing, (iv) all rights to sue at law or in equity for any infringement or other violation thereof, including the right to receive all Proceeds and damages therefrom, and (v) all other rights priorities and privileges relating thereto.

### **SECTION 3. Security Agreement**

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the DIP ABL Guarantee and Collateral Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the DIP ABL Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the DIP ABL Guarantee and Collateral Agreement, the provisions of the DIP ABL Guarantee and Collateral Agreement shall control.

### **SECTION 4. Governing Law**

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE SAME ARE NOT MANDATORILY APPLICABLE BY STATUTE AND THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY) AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE.

### **SECTION 5. Counterparts**

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each of the parties hereto has caused a counterpart of this Agreement to be duly executed and delivered as of the date first above written.
