ASSIGNMENT

WHEREAS, **Rohit Paranjpe** and **Ripunjay Bararia** made certain inventions or discoveries (or both) set forth in an Application for Letters Patent of the United States of America entitled:

USER GENERATED PLUGGABLE CONTENT DELIVERY NETWORK (CDN) SYSTEM AND METHOD

X filed as Serial No. 17/745,340 on May 16, 2022.

X filed as Serial No. PCT/US22/29596 on May 17, 2022.

WHEREAS, MARGO NETWORKS PVT. LTD., whose full post office address is DevX, 701-713, 7th Floor, A Block, Dynasty Business Park, Near J B Nagar Metro Station, Andheri Kurla Road, Andheri East, Mumbai – 400065, Maharashtra, India, and who, together with its successors and assigns is hereinafter called "Assignee", is desirous of acquiring the entire right, title and interest together with the benefits and privileges hereinafter recited;

NOW, THEREFORE, for valuable consideration furnished by Assignee to each of us, receipt and sufficiency of which we each hereby acknowledge, effective as of the date signed, each of us hereby, without reservation:

1. Assign, transfer and convey to Assignee the entire right, title and interest together with the benefits and privileges in and said inventions and discoveries, said Application for Letters Patent or similar forms of protection of the United States of America, and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries including all divisional, renewal, substitute, continuation and convention applications based in whole or in part upon said inventions or discoveries, or upon said application, and any and all Letters Patent, reissues and extensions of letters Patent or similar forms of protection granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said letters Patent, including all rights to said inventions, discoveries and said Patents and applications as fully and entirely as the same would have been held and enjoyed by each of us if this Agreement had not been made, including all claims for damages and/or injunction by reason of past and present infringement and including the collection and retention of such damages for the use and enjoyment of Assignee and its successors and assigns;

2. Authorize Assignee to file patent applications in any or all countries or groups of countries on any or all of said inventions and discoveries in my name or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or any other relevant convention or treaty or otherwise;

3. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein, or otherwise as Assignee may directly;

4. Warrant that each of us have not knowingly conveyed to others any rights in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that each of us have good right to assign the same to Assignee without encumbrance;

5. Bind each of our heirs, legal representatives and assigns, as well as ourselves, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to each of us to them, all acts reasonable serving to assure that said inventions and discoveries, said patent applications and said Letters Patent shall be held and enjoyed by each of us, our heirs, legal representatives and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to each of us relating to said inventions and discoveries of the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in each of our control or in the control of each of our heirs, legal representatives or assigns which may be useful for establishing any facts of each of our conceptions, disclosures, and reduction to practice of said inventions or discoveries.
