ASSIGNMENT

WHEREAS, We, **Ryan Thomas Olson**, a citizen of the United States, residing at 708 Rowan Road, Dows, IA 50071, has made an invention entitled **Sweep Auger Drive Shield with Gravity Reclaim**, and filed a Provisional Application on February 1, 2017 and assigned application no. 62/453,252;

NOW, THEREFORE, for good and valuable consideration, receipt of which is acknowledged, and we have agreed to assign and transfer and do hereby assign and transfer unto **Sukup Manufacturing Co.**, having its principal office at 1555 255th Street, Sheffield, IA 50475, its successors and assigns, the entire right, title and interest in and to the said invention and application, and in and to any nonprovisional, division, continuation or continuation-in-part, of said application, and in and to any and all improvements in the said invention made by us or made jointly with others, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reissue or other or further application based in whole or in part upon the said invention or improvements thereof, to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made;

We do further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by the said **Sukup Manufacturing Co.**, its successors, assigns and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

As we do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to the said **Sukup Manufacturing Co.**, as the assignee of the entire interest thereon.

IN WITNESS WHEREOF, we have hereunto assigned our names on the day and year set forth below.
