ASSIGNMENT AGREEMENT

On the date shown below, and for good and valuable consideration the receipt of which we acknowledge, we made the following assignment and promises to B & W Custom Truck Beds, Inc., ("Assignee"), a Kansas corporation, having a principal place of business at 1216 Highway 224, Humboldt, Kansas 66748, in connection with our invention of a new, original, HITCH ASSEMBLY WITH A RECESSED DRAW BAR ("the Invention").

1. We assign, transfer, and convey to Assignee our entire right, title and interest in and to:

- (a) the Invention;
- (b) provisional application No. 62/929,286 for United States patent filed on November 1, 2018 and provisional application No. 62/983,189, filed on February 28, 2020;
- (c) the application for United States Letters Patent Serial No. 17,025,162 filed on September 18, 2020, which claims priority from provisional application Nos. 62/929,286 and 62/983,189 (I hereby authorize insertion of the serial number and filing date upon filing of this application);
- (d) any Letters Patent issued pursuant to, or as a result of, any application referenced above;
- (e) all applications for Letters Patent, or similar legal protection, which may be filed in any country or countries foreign to the United States with respect to the Invention.
- (f) all Letters Patent which may be granted for the Invention in any country or countries foreign to the United States; and
- (g) all extensions, renewals, reissues, divisions, continuations and continuations-in-part (or their legal equivalents) of any applications or Letters Patent referred to above.

2. We authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or similar legal protection on applications, to issue to Assignee all Letters Patent or similar legal protection for the Invention or improvements.

3. We agree that, upon the request of Assignee, we will

- (a) execute any and all divisional, continuation and renewal applications for the Invention or improvements;
- (b) execute any supplemental oath relating to the Invention or improvements;
- (c) execute any application for reissue or extension of any Letters Patent that may be granted upon the application;
- (d) cooperate to the best of our ability in connection with any derivation

(Docket 123.114)

proceeding or post issuance proceeding relating to the application referenced herein or any patent issuing therefrom;

- (e) perform any and all affirmative acts to obtain Letters Patent and vest all right in such Letters Patent in Assignee; and
- (f) perform such additional acts as Assignee may deem necessary or expedient in connection with any of the matters stated above.

4. We covenant and warrant that we have the full right and power to convey the rights assigned herein; that the same are free and clear of all liens, charges and encumbrances whatsoever; and that we have not executed and will not execute any agreement in conflict with this Assignment Agreement.

5. This Assignment Agreement is binding upon, shall inure to the benefit of, and shall be performed by the parties named, their heirs, administrators, legal representatives, successors and assigns.

6. This Assignment of patent rights in the Invention is effective as of the date of conception of the Invention.
