ASSIGNMENT

WHEREAS, **Draeger Medical Systems, Inc.**, a corporation organized and existing under the laws of the state of Delaware, and having an office for the transaction of business at 6 Tech Drive, Andover, Massachusetts 01810, United States of America, ASSIGNOR, has an ownership interest in the invention(s) disclosed in the patent(s) and the patent application(s) set forth on **Schedule A** attached hereto; and

WHEREAS, **Drägerwerk AG & Co. KGaA**, a corporation having an office for the transaction of business at Moislinger Allee 53-55, 23558 Lübeck, Germany, ASSIGNEE, is desirous of obtaining the entire right, title and interest for all countries in said invention(s), said patent(s), and said patent application(s);

NOW, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged by ASSIGNEE, ASSIGNOR hereby sells, assigns, and transfers, unto ASSIGNEE, its entire right, title and interest for all countries in said invention(s), said patent(s), and said patent application(s), including any application in the United States in which said invention(s) is disclosed and all Letters Patent which may be granted therefrom, and to any application which has been or shall be filed in any foreign country for Letters Patent in which said invention(s) is disclosed, including an assignment of all rights under the provisions of the International Convention or any other international agreement or the domestic laws of the country in which such applications are filed as may be applicable, including the right to claim priority, and all Letters Patent of foreign countries which may be granted therefrom, and to any application for a utility model or design for said invention(s) as well as any corresponding registration, all rights to sue for infringement including past infringement; and

ASSIGNOR HEREBY authorizes and requests the authorized person(s) of the United States Patent and Trademark Office, or the authorized person(s) of all countries foreign to the United States, to issue any and all Letters Patent (US or foreign) or registration(s) (US or foreign) resulting from any application in which said invention(s) is disclosed to ASSIGNEE, as ASSIGNEE of the entire interest; and

ASSIGNOR HEREBY agrees that it has full right to convey the entire right, title and interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith; and

ASSIGNOR HEREBY agrees to communicate to ASSIGNEE any facts known to it regarding said invention(s), to testify in any legal proceeding, to execute all papers and documents and perform any act which may be necessary in connection with any application in the United States in which said invention(s) is disclosed and all Letters Patent which may be granted therefrom, and in connection with any application which has been or shall be filed in any foreign country in which said invention(s) is disclosed and all Letters Patent which may be granted therefrom, and in connection with any application for a utility model or design for said invention(s) as well as any corresponding registration; and

ASSIGNOR also agrees to execute separate assignments in connection with such applications as ASSIGNEE may deem necessary or expedient; and

ASSIGNOR HEREBY agrees to execute all papers necessary in connection with any post-grant proceeding which may occur in connection with any application in the United States in which said invention(s) is disclosed, and to cooperate with ASSIGNEE in every way possible in obtaining evidence and going forward with such post-grant proceeding.

ASSIGNOR HEREBY agrees to not directly, or indirectly on behalf of a third party, challenge the validity or scope of the intellectual property rights being assigned herein including any application in the United States in which said invention(s) is disclosed and all Letters Patent which may be granted therefrom, any application which has been or shall be filed in any foreign country in which said invention(s) is disclosed and all Letters Patent which may be granted therefrom, and any application for a utility model or design for said invention(s) as well as any corresponding registration.

ASSIGNOR AND ASSIGNEE HEREBY grant the firm of Wenderoth Lind & Ponack, L.L.P., the power to insert on this document any further identification which may be necessary or desirable.
