Assignment

I, Giuseppe QUAGLIA, residing in Italy, represent that I have invented a new and useful "SQUEEGEE ASSEMBLY FOR SCREEN PRINTING, SCREEN PRINTING MACHINE AND SCREEN PRINTING METHOD", for which I have executed an application for Letters Patent of the United States of America on July 13, 2022, under Serial No. 17792690, which is a national stage entry of International Application No. PCT/IB2021/050258 filed on January 14, 2021.

QUAGLIA S.R.L. is organized and existing under the laws of Italy, has a place of business at Via Papa Giovanni XXIII, 65, I-24052 Bergamo (Azzano San Paolo), Italy and desires to acquire the entire right, title and interest in and to the invention, application and letters patent to be granted and issued thereon, including but not limited to the United States.

For valuable consideration, the receipt and legal sufficiency of which I acknowledge, I have sold and do hereby sell, assign, transfer and set over unto QUAGLIA S.R.L., its successors and assigns, the entire right, title and interest in and to the invention and all improvements thereon, in and to the international application and national stage application for letters patent thereon, in and to applications pertaining to or based upon the invention and application, including divisional and continuing applications and continuations-in-part, and in and to any and all letters patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

I also agree that I will, at the request of QUAGLIA S.R.L. execute any and all applications for letters patent for the invention, execute any and all other papers and documents and do all other and further lawful acts that QUAGLIA S.R.L. may deem necessary or desirable to obtain letters patent on the invention, to secure the grant of such letters patent and to protect and vest in the undivided interests in the right, title and interest in the invention, applications and letters patent. Counterpart and electronic signatures are acceptable. QUAGLIA and QUAGLIA S.R.L. hereby authorize and request the law firm of Ferguson Case Orr Paterson of 1050 South Kimball Road, Ventura, CA 93004, and/or one of its representatives (e.g. Attorney Corey A. Donaldson), to insert the filing date and application number of said application when known, in the above spaces.
