Filed: 27-August-2020

For: ECO-FRIENDLY AIR FILTER ELEMENT HAVING FIXATION SLITS AND
REUSABLE EXOSKELETON FRAME

Attorney Docket No.: 6234/US-2

**ASSIGNEE NAME CHANGE, (THE ACTUAL ASSIGNEE IS
UNCHANGED, SAME ENTITY)**

Commissioner for Patents
United States Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Important to understand here: The Assignee has not changed. This request is only for an update of the Assignee's name and office address, still within Singapore. The Assignee is the Applicant (same entity here).

Due to continuing expansion into new product areas, the Applicant/ Assignee: "MANN+HUMMEL WATER SOLUTIONS HOLDING PTE. LTD, Singapore, (SG)" has updated their name to: "MANN+HUMMEL LIFE SCIENCES & ENVIRONMENT HOLDING SINGAPORE PTE. LTD." to better align their business name with new products and market development goals.

It is important to note that the Applicant/Assignee is unchanged. Specifically, "MANN+HUMMEL LIFE SCIENCES & ENVIRONMENT HOLDING SINGAPORE PTE. LTD." is exactly the updated name of "MANN+HUMMEL WATER SOLUTIONS HOLDING

PTE. LTD". As part of this change, the applicant's staffing is growing and therefore moved to a new larger office in Singapore.

As required by 37 CFR 1.46(c)(1) and MPEP 605.01, a Corrected Application Data Sheet (ADS) was submitted on 26-May-2022 and entered by the USPTO, entering the above correction into the record. As in the Corrected Application Data Sheet (ADS), the Applicant's/ Assignee's name and business address is as follows:

MANN+HUMMEL LIFE SCIENCES & ENVIRONMENT HOLDING SINGAPORE PTE. LTD.
23 Rochester Park
#04-02
SINGAPORE (139234)

This, for the record, for recording into the USPTO Assignment Division.

As provided by the Power of Attorney entered by the USPTO on 31-May-2022, the undersigned is enabled to act for the Applicant/ Assignee.

Thank you, and with kind greetings,

29-July-2022

By: /James Hasselbeck/
