ASSIGNMENT

WHEREAS, TAXIS Pharmaceuticals, Inc., a Delaware corporation ("Assign"), is the owner of an undivided right, title and interest in and to the patents and patent applications listed as follows (the "Patents");

COUNTRY	SERIAL NUMBER	FILING DATE
US	62/525,079	June 26, 2017
PCT	PCT/US2018/039567	June 26, 2018

and;

WHEREAS, RUTGERS, The State University of New Jersey, having its place of business at 83 Somerset Street, New Brunswick, NJ 08901 ("Assignee"), is desirous of acquiring Assignor's entire right, title and interest in and to the Patents, including any choses in action.

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, Assignor hereby sells, assigns, transfers, and sets over unto said Assignee, Assignor's entire right, title and interest to all patents and patent applications listed in Attachment A and to all inventions disclosed therein, including all rights to claim priority therefrom, and to any and all present or future patent applications to such inventions filed in the United States or any other country or region, inclusive of, but not limited to, all divisions, continuations, continuations-in-part, renewals thereof, substitutions, reexaminations, reissues, provisional patent applications, applications filed under the Patent Cooperation Treaty, certificates of addition, utility models, and petty patents, as well as all other intellectual property related to the patents, patent applications, and inventions, inclusive of, but not limited to, supplementary protection certificates, and to any and all Letters Patents and any related patent term extensions that may be granted for said Letters Patents with respect to the applications; all of the above to be held by Assignee as fully and entirely as the same would have been held by me had this Assignment not been made.

AND, for the consideration aforesaid, Assignor does hereby agree that Assignor and Assignor's legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to me relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, patents, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore, Assignor covenants and agrees with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed, has been made to others by Assignor and that full right to convey the same as herein expressed is possessed by Assignor.

We agree to and accept the attached assignment document on this 4th day of August, 2022.
