ASSIGNMENT

WHEREAS, we, Vadim Kovalev, of Vancouver, Washington, Samuel Berezhinskiy, of Palm Coast, Florida, Jason Farmer, of Vancouver, Washington, and Joseph Nelson, of Vancouver, Washington, have invented a certain invention as described in the following patent application:

U.S. Provisional Patent Application No. 63/263,317, filed on October 29, 2021, entitled

“THERMALLY STABLE SAWMILL SCANNER,”

which application is referred to as “the patent application.”

WHEREAS, JoeScan, Inc., a business organized under the laws of the State of Washington, having a place of business at 4510 NE 68th Dr, Ste. 124, Vancouver, Washington 98661, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Vadim Kovalev, Samuel Berezhinskiy, Jason Farmer, and Joseph Nelson hereby sell, assign, and transfer to JoeScan, Inc., the full and exclusive right, title, and interest in and to said invention, patent application, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent application, and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues, and extensions thereof, to be held and enjoyed by JoeScan, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to JoeScan, Inc., or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid JoeScan, Inc., its successors, and assigns to obtain and enforce proper patent protection for said invention in the

Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
