ASSIGNMENT

WHEREAS, **BioStar Organics, LLC**, Kansas limited liability company has acquired an interest in one or more of the patents and patent applications identified in the attached Schedule A (referred to collectively as "said Patents"); and

WHEREAS, **HYOF LP**, a Kansas limited partnership, having its principal place of business at 9400 Reeds Rd., Suite 150, Overland Park, KS 66207, is desirous of acquiring an interest in, to, and under said Patents, the inventions set forth in said Patents, and any and all Letters Patent that may be granted for or upon the inventions in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **BioStar Organics, LLC**, have sold, assigned and transferred, and by these presents does sell, assign, and transfer unto said **HYOF LP** the full and exclusive right, title and interest, throughout the world, *nunc pro tunc*, effective January 1, 2021, in, to and under the following:

- (a) said Patents;
- (b) said inventions as fully set forth and described in said Patents;
- (c) the right to claim priority to said Patents, and any and all non-provisional applications based upon or claiming the priority to said Patents;
- (d) any refilings, divisions and continuations of such non-provisional applications;
- (e) any and all Letters Patent of the United States of America or countries foreign thereto which may issue from a non-provisional application based upon or claiming the priority of said Patents,
- (f) any and all reissues of said Patents and said Letters Patent of the United States of America or countries foreign thereto; and
- (g) all past, present, and future damages to, and rights to enforce/defend any of the above.

ALL of the above shall be held and enjoyed by said **HYOF LP**, for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said Letters Patent may be granted, and **BioStar Organics, LLC** does hereby authorize and request the

Commissioner of Patents and Trademarks to issue said Letters Patent in accordance with this Assignment.

Assignor further agrees to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignee's rights in the rights assigned herein.
