## CONFIRMATORY ASSIGNMENT

This Confirmatory Assignment ("Assignment") is between David J. Ruttley, an individual and citizen of the United States of America, having an address at 2708 Pin Oak Drive, Marrero, LA 70072 ("Assignor"), and DELTIDE ENERGY SERVICES, LLC, a Delaware limited liability company, having a business office at 1131 Peters Road, Harvey, Louisiana 70058 ("Assignee").

Assignor has made, alone or with others, at least one invention, improvement or discovery described in at least the patent and patent applications listed in Exhibit A (the "Patent Property"), which is attached hereto.

Assignee desires to acquire the Patent Property.

The parties therefore agree as follows:

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby grants, assigns, and transfers to Assignee, its successors, and assigns, and Assignee hereby accepts, Assignor's entire right, title, and interest in and to the Patent Property, and improvements and discoveries described therein and to any and all other patent applications derived totally or in part from said patent application, be they provisional or non-provisional applications, divisional applications, continuation applications or continuation-in-part applications and to any and all patents, reissues, reexaminations, and extensions from any of the foregoing applications that are issued, granted, or validated by any patent office, including, but not limited to, the United States Patent and Trademark Office, any regional patent office, and/or any patent office of any country foreign to the United States and to any priority rights available from any of the foregoing and to any rights to collect past damages for infringement from any of the foregoing; and Assignor authorizes and requests the issuing authority to issue any and all patents on said application or applications to Assignee, its successors or assigns.

Assignor further agrees to execute such further papers, and perform such other proper acts as Assignee may deem necessary to secure to it the rights herein conveyed.

The parties have executed this Assignment on the date stated below.
