Assignment

THIS ASSIGNMENT, made by Arrayed Fiberoptics Corporation (hereinafter referred to as Assignor); having its principal place of business at 1191 Tasman Drive, Sunnyvale, CA 94089, USA;

WHEREAS, Assignor owns the following Letters Patents/Patent Applications of the United States:

United States Patent No. 10,545,294 issued 28 January 2020,
United States Patent No. 10,983,288 issued 20 April 2021,
United States Patent No. 11,333,835 issued 17 May 2022,
United States Patent Application No. 17/232,166 filed 16 April 2021, and
United States Patent Application No. 17/744,772 filed 16 May 2022;

WHEREAS, Ningbo Litas Optical Technologies Co., Ltd., a Limited Liability Company organized under and pursuant to the laws of China having its principal place of business at 3rd Floor, Jinmazuo A2 Building, No.502 Mingzhouxi Road, BeiLun District, Ningbo, Zhejiang 315800, China (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said Letters Patents of the United States.

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to said Letters Patents of the United States, reissues, reexaminations and extensions of any of said Letters Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the terms for which said Letters Patents may be granted and/or extended, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owner of the entire right, title and interest in and to said Letters Patents, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of said Letters Patents, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or any proceeding in connection with any of said Letters Patents in any country, including but not limited to interference proceedings, is lawful and desirable; that any reissue, reexamination or extension of any of said Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue said Letters Patents of the United States to Assignee, as Assignee of said Letters Patents to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
