## ASSIGNMENT

Pursuant to my obligation to **RE MIXERS, INC.** (hereinafter referred to as "Assignee"), a Wisconsin corporation having its principal place of business at:

2302 University Avenue  
Ste. 219  
Madison, WI 53726

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I:

**Eric Adam Ronning**  
2302 University Avenue  
Ste. 219  
Madison, WI 53726

confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, my entire right, title and interest -

(1) in and to inventions described in a patent application titled "STATIC MIXER" for which I filed International Patent Application No. PCT/US2016/061652 on November 11, 2016 (Attorney Docket No. 210071-9001-WO00) (hereinafter the "PCT application"), which claims priority to United States Provisional Patent Application No. 62/254,954 filed November 13, 2015 (hereinafter collectively "the U.S. provisional patent application");

(2) in and to the PCT application, and the U.S. provisional patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, 35 U.S.C. §111(b) provisional, 35 U.S.C. §111(a), and reissue applications) based upon said inventions, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, including foreign applications entering the national phase of the PCT application, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the PCT application and the U.S. provisional patent application.

I hereby authorize the assignee or attorney of record to insert in the appropriate place in this document the application number of my application after execution of this Assignment.

I agree that any patent applications of any foreign countries which may be filed shall be filed in the name of Assignee with a claim to priority based on the PCT application and the U.S. provisional patent application.

I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.

5/12/2017

Date

Eric Adam Ronning
