ASSIGNMENT

WHEREAS, I

JEREMY CLEMENTS, Willingham CAMBS, GB; Citizenship: GB

am a co- inventor of an invention that is the subject of a patent application ("Application") which is entitled MEDICATION DELIVERY DEVICE WITH SENSING SYSTEM, filed:

in the United States Patent and Trademark Office on December 15, 2016 and accorded Serial Number 62/434684,

in the _____ on _____ and accorded Serial Number _____.

in the Spanish Patent Office as a European Application on _____ and accorded Serial Number _____.

as an international application under the Patent Cooperation Treaty ("PCT"), with United States Patent and Trademark Office acting as Receiving Office on _____ and accorded Serial Number _____.

as an international application under the Patent Cooperation Treaty ("PCT"), with The State Intellectual Property Office (SIPO) of China acting as Receiving Office on _____ and accorded Serial Number _____.

both of which claim the benefit of priority application Serial Number _____, filed _____.

WHEREAS, CAMBRIDGE DESIGN PARTNERSHIP LLP, an United Kingdom partnership having a place of business at Church Road, Toft, Cambridge, United Kingdom wishes to acquire my entire interest in all inventions disclosed in such Application;

NOW, THEREFORE, in consideration of my employment, any agreements related thereto, or other good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign to CAMBRIDGE DESIGN PARTNERSHIP LLP, its successors and assigns (collectively "CDP LLP") my entire right, title and interest in, to and under the Application, including all priority rights for other countries arising therefrom, all inventions therein disclosed, and any and all present or future patent applications to such inventions that may be filed in any country, inclusive of, but not limited to, continuations, continuations-in-part, divisions, substitutions, reexaminations, reissues, international applications filed under the PCT, United States provisional patent applications, subsequent United States provisional patent applications claiming some or all of this invention, certificates of addition, utility models, petty patents, as well as all other intellectual property related to the Application, inclusive of, but not limited to,

supplementary protection certificates; and any related patent term extensions which may be granted for Letters Patent with respect to the Application; all of the above to be held and enjoyed by CDP LLP for its own use and enjoyment to the full end of the term or terms for which such Letters Patent and related intellectual property rights may be granted, as fully and entirely as the same would have been held and enjoyed by me had this Assignment and sale to CDP LLP not been made.

For myself and for my heirs, successors and legal representatives, I covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment.

For myself and for my heirs, successors and legal representatives, I further covenant and agree with CDP LLP that upon request I and they will, without further consideration than that now paid, but at the expense of CDP LLP: (i) execute original, provisional, substitute, continuation, divisional, continuation-in-part, reexamined, or reissued applications, amended specifications, or rightful declarations or oaths for such application; (ii) communicate to CDP LLP any facts known to me or them relating to such inventions or the history thereof; (iii) execute preliminary statements and testify in any interference proceedings, litigation discovery proceedings and depositions, oppositions, cancellation proceedings, priority contests, public use proceedings, administrative agency proceedings, litigation and other court actions and the like; (iv) execute and deliver any application papers, affidavits, declarations, assignments, or other instruments; and (v) do all other acts which, in the opinion of counsel for CDP LLP, may be necessary or desirable to secure the grant of Letters Patent and related intellectual property to CDP LLP or its nominees, in the United States and in all other countries where CDP LLP may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for CDP LLP and to vest and confirm in CDP LLP or its nominees the full and complete legal and equitable title to all such Letters Patent and related intellectual property.

I have executed this assignment on the date indicated below.
