**ASSIGNMENT OF PATENT RIGHTS**

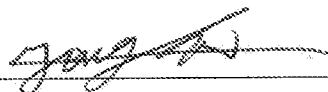

WHEREAS, I, Yong K. Yoon, of Los Angeles, California, has invented a new and useful "BOILER FEED TANK ENERGY RECOVERY SYSTEM", for which a United States Utility Patent Application No. 15249186 was filed on August 26, 2016, and

WHEREAS, Daniel Steam, Inc., a California corporation, having its principal place of business at 4025 Spencer St., # 301, Torrance, California 90503 USA, is desirous of acquiring the entire right, title, and interest in and to said inventions, said patent applications, their continuation and divisional applications and any patent which may be granted and issued from such applications in the United States and throughout the world;

NOW THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, Yong K. Yoon, by these presents does hereby irrevocably sell, assign, and transfer unto said Daniel Steam, Inc. the entire right, title, and interest to said inventions and to any and all patents, which may be granted therefrom, including patent resulting from any continuation, continuation-in-part and divisional applications, in the United States and throughout the world, including the rights to past, present and future damages, including damages arising out of provisional rights, and other relief thereunder to be held and enjoyed by said Daniel Steam, Inc. for its use and for its successors and assigns to the full end of the patent terms, as the same would have been held by me as if this assignment and sale had not been made.

Yong K. Yoon, further agrees to execute upon presentation any and all domestic and foreign applications describing and claiming said inventions without further consideration, and in conjunction therewith to execute any and all further assignments or other documents that may be required during prosecution and for filing under the International Convention or for recording in patent offices throughout the world.

Dated this 12 day of June, 2019, at Los Angeles, California
