PATENT ASSIGNMENT

WHEREAS, I/we, ANNE-CHRISTINE BAY-JENSEN, MORTEN KARSDAL and PER QVIST, are co-inventors of an invention, which invention is described in an application(s) for Letters Patent, which application(s) are listed in the attached Schedule; and

WHEREAS, Nordic Bioscience A/S, of Herlev Hovedgade 207, 2730 Herlev, DENMARK, a company organized and existing under the laws of Denmark (hereinafter "Company") is desirous of acquiring, and entitled by agreement, contract, or operation by law, to acquire their entire right, title and interest in and to the invention and in and to the application and any Letters Patent that may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned have sold, assigned and transferred, and/or do hereby sell, assign and transfer unto Company, its lawful successors and assigns, their full, exclusive and worldwide right to the invention and their entire right, title and interest in, to and under the application and any and all Letters Patent(s) that may be granted on the application, any and all priority applications and Letters Patent thereof, and any and all applications and Letters Patent claiming priority to the application, including any and all divisions or continuations thereof, any and all renewals, substitutes, reissues, reexaminations and extensions thereof, in the United States of America, in the territorial possessions of the United States of America, and equivalents thereto in any country foreign to the United States of America, including full right to claim for any such applications all benefits and priority rights under any applicable convention, the same to be held and enjoyed by Company, its lawful successors and assigns as fully and entirely as the same would have been held by the undersigned had this assignment not been made.

The undersigned hereby authorize and request the Commissioner of Patent and Trademarks of the United States of America and respective Patent Office officials in any country foreign to the United States of America to issue said Letters Patent to Company as the assignee of our entire right, title and interest in, to and under the same, and we hereby further authorize Company to apply for Letters Patent in the undersigned name(s) or in Company's name, as Company in its sole discretion sees fit, utilizing any benefits which may exist under any International Agreement, in any country.

The undersigned hereby agree for ourselves and for our heirs, executors and administrators, to execute any lawful document and to testify as to any material fact or thing which Company, its lawful successors, assigns and legal representatives may deem necessary in order to secure unto itself, its lawful successors and assigns their full right, title and interest in and to, and the full enjoyment of, the invention or any part thereof, the applications and any and all Letters Patent, the same to be done without any further consideration.

The undersigned hereby warrant and represent that I/we have not entered, nor will enter, into any assignment, contract, or understanding in conflict herewith.

IN TESTIMONY WHEREOF, I hereby set my hand this ____6____ day of FEBRUARY , 2022 .
