ASSIGNMENT

We, Mark T. Nowak and Mark A. Nilsen ("Assignor"), in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration paid to the undersigned, agree to assign, and hereby do assign, transfer and set over to MTN SHIELDS LLC ("Assignee"), whose address is 2344 Carriage Drive, Lodi, CA 95242, the entire right, title and interest in and to the invention known as: HARD HAT AND FACE SHIELD, for which a patent issued in the United States Patent and Trademark Office on May 18, 2021 and received Patent No. 11,006,689.

1) Assignor agrees that this assignment shall include this patent and any other patent applications directed to this invention, both now existing and filed in the future, including continuation applications, continuation-in-part applications, divisional applications, counterpart applications outside of the United States and any other patents or applications of Assignor directed to this invention, even if not linked to this patent. Assignor agrees to execute all papers necessary in connection with this patent and any other applications to protect the invention, and also to execute separate assignments in connection with any other such applications directed to this invention, as the Assignee may deem necessary or expedient.

2) Assignor agrees to execute all papers necessary in connection with any challenge which may be asserted concerning any application relating to the invention, ~~and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with defense of any such challenge, including challenges at various patent offices or courts.~~ MTN
MA

3) Assignor agrees to execute all papers and documents ~~and perform any act which may be necessary in connection with provisions of the International Convention for Protection of Industrial Property, the Patent Cooperation Treaty or similar agreements to advance Assignee's rights to the invention.~~ MTN
MA

4) Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks, and all equivalent foreign officials, to assign any and all Letters Patent resulting from any applications related to this invention to the Assignee, as Assignee of the entire interest, and hereby covenant that Assignor has full right to convey the entire interest herein assigned, and that Assignor has not executed, and will not execute, any agreement in conflict herewith.

5) ~~Assignor agrees to perform all affirmative acts which may be necessary to obtain a grant of valid patents to the Assignee relating to the invention.~~ MTN
MA

6) Assignor hereby grants the Assignee and its duly authorized representatives the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, and any equivalent foreign office, for recordation of this document.
