INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This **INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT** (“Assignment”) is made and entered into as of the last date written below (“Effective Date”), by and between **Alfresco Software, Inc.**, a Delaware Corporation, with a business address of 1825 S. Grant Street, Suite 900 San Mateo, California 94402 (“Assignor”), and **Alfresco Software Limited**, an English company, with a business address of Bridge Avenue The Place Maidenhead, SL6 1AF, United Kingdom (“Assignee”, together with Assignor, “the Parties”).

WHEREAS, Assignor owns the intellectual property, and the registrations and applications therefor, as provided in the short form agreements attached hereto as exhibits (the “Intellectual Property”);

WHEREAS, Assignor desires to contribute, transfer, and assign all right, title, and interest in and to the Intellectual Property, and the registrations and applications therefor, to Assignee, and Assignee desires to receive the same;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and intending to be legally bound hereby, Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over to said Assignee, the entire right, title and interest, including the right to claim priority, in and to said Intellectual Property and any and all renewals of said Intellectual Property and to and under any and all additional Intellectual Property which may be granted on or as a result thereof in the United States and any and all other countries of said Intellectual Property, and the full right to sue for and recover damages recoverable for past infringement of the same, and for violations of rights having arisen from any applications or registrations for said Intellectual Property. Assignor further assigns to and authorizes said Assignee to file corresponding applications for said Intellectual Property in all countries, to be held and enjoyed by said Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Intellectual Property respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment, sale and transfer not been made. The Parties agree to cooperate in the recordal of this Assignment with the governing Intellectual Property office, and to execute any and all documents that are necessary to accomplish such recordal in a timely fashion.

It is hereby covenanted that Assignor has full right to convey the entire interest herein assigned, and that Assignor has not executed and will not execute any agreement in conflict herewith, and Assignor further covenants and agrees that it will each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said Intellectual Property in said Assignee, its successors, assigns, nominees, or legal representatives, and Assignor agrees to communicate to said Assignee or to its nominee all known facts respecting said Intellectual Property, to testify in any legal proceedings, to sign all necessary lawful papers, to make all rightful oaths, and generally to do everything reasonably possible to aid said Assignee, its successors, assigns, nominees and legal representatives to

obtain and enforce for its or their own benefit, proper protection of said Intellectual Property, all at the expense, however, of said Assignee, its successors, assigns, nominees or legal representatives.

IN WITNESS WHEREOF, the Parties hereto have caused their duly authorized representatives to set their hands to this Agreement as of the dates set forth below.
