ASSIGNMENT

WHEREAS, I, Seth Haberman, residing at 1 West 85th Street, Apt. 7C., New York, New York 10024 USA, (the "Assignor") am the inventor of a certain new and useful invention and discovery, for which a patent application entitled "SYSTEMS AND METHODS FOR ENHANCED INFORMATION VISUALIZATION" was filed with the United States Patent and Trademark Office on July 30, 2007 as U.S. Patent Application No. 11/881,905 ("the Application").

WHEREAS, Visible World, Inc., existing under the laws of the State of New York, having its principal office at 527 West 34th Street, 6th Floor, New York, New York 10001, which, together with its successors and assigns, is hereinafter called "Assignee," is desirous of acquiring the title, rights, benefits, and privileges hereinafter recited.

For valuable consideration, receipt and sufficiency of which is hereby acknowledged, Assignor hereby assign to Assignee all of Assignor's right, title and interest in and to the Invention, all improvements therein, the Application and all priority rights arising therefrom, and any applications and/or patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the following: the Application; any application that claims priority from the Application (including utility applications, divisionals, continuations, continuations-in-part, international applications and/or foreign regional and/or national applications); or any application based in whole or in part on any of the foregoing.

Assignor agree that such Assignor and Assignor's heirs and legal representatives will, without further consideration, cooperate with Assignee in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues and extensions therefor, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Invention, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee. Assignor further agree that such Assignor will, without further compensation to Assignors during the term of such Assignor's employment by Assignee and thereafter for reasonable compensation as determined by Assignee, perform such other acts as may be reasonably required when requested by Assignee, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignee.
