ASSIGNMENT

Attorney Docket No.: 11087US05
Inventor(s): Steve Waterford
Robert Hudson Lynn

Application Serial No.: 16/593,851
Filing Date: October 4, 2019

In consideration of One Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned confirm their having assigned, and to the extent necessary do hereby assign, to **WATERFORD MASK SYSTEMS INC., a Delaware corporation** having a place of business at **658 South Military Trail, Deerfield Beach, FL 33442**, its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in an application for Letters Patent of the United States filed in the U.S. Patent and Trademark Office on **October 4, 2019**, and assigned application **Serial No. 16/593,851**, entitled "**Facemask with Filter Insert for Protection Against Airborne Pathogens**", and has also been identified as **Attorney Docket No. 11087US05** in the offices of Corridor Law Group, P.C., and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any provisional, non-provisional, continuation, continuation-in-part, divisional, reexamination, reissue or extension of such applications or patents, and confirm their having further assigned, and to the extent necessary do hereby further assign, to said assignee the priority right provided by the International Convention.

The undersigned hereby authorize and request the Director of the U.S. Patent and Trademark Office to issue said Letters Patent to said assignee.

The undersigned have warranted themselves to have been, and to the extent necessary do hereby warrant themselves to be, the owners of the entire right, title and interest in said invention or improvements, and to have had, and to the extent necessary to have, the right to make such assignment, and have further warranted, and to the extent necessary do hereby further warrant, that there are no outstanding prior assignments, licenses, or other encumbrances on the interest assigned.

For said considerations the undersigned confirm their agreement, and to the extent necessary do hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all non-provisional,

continuation, continuation-in-part, divisional, extension, and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue, re-examination or extension of any Letters Patent that may be granted upon said application, and any and all applications and other document for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said considerations the undersigned authorizes said assignee to apply for patents for said invention or improvements in its own name in such countries where such procedure is proper, and have agreed, and to the extent necessary do hereby further agree, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and to perform any and all other acts necessary to obtain said Letters Patent, both United States and foreign, and vest all rights therein conveyed in the assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if such assignment had not been made.

This Assignment is to have an effective date, nunc pro tunc, as of **October 4, 2019**.
