ASSIGNMENT

For good and valuable consideration, We, Arthur J. Schwidder, a U.S. Citizen residing at 20435 Everton Trail Ct., Forest Lake, MN, 55025 and Richard A. Kuntz, a U.S. Citizen residing at 17845 211th AVE NW, Big Lake, MN, 55309, hereinafter "Assignor"

Hereby sell, assign, and transfer to Upstream Technologies, Inc. a corporation organized in the State of Minnesota and having a principal place of business at 600 County Road D West, Suite 14, New Brighton, MN 55112, hereinafter "Assignee", its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all improvements which are disclosed in United States Patent Number 11,353,391 issued 7 JUNE 2022 and which is entitled:

FALLING HEAD INFILTRMETER APPARATUS

and in and to said United States patent and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent including, without limitation, utility models and design registrations which have been or shall be filed in the United States and all foreign jurisdictions on any of said improvements; in and to all original and reissued patents which have been or shall be filed in the United States and all foreign jurisdictions on said improvements; and in and to any and all Letters Patent which have been or shall be granted on said improvements in the United States and all foreign jurisdictions.

Authorize said Assignee to apply for Letters Patent for said improvements in our name or in its own name and to receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
