**TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENTS**

This **TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENTS**, dated as of August 4, 2022 (“Release”), is made by BLUE TORCH FINANCE, LLC, as assignee (the “Assignee”), in favor of ZAGG INC, a Delaware corporation, MOPHIE INC., a California corporation, and HALO2CLOUD, LLC, a Delaware limited liability company (collectively, the “Assignors”, and each individually, an “Assignor”).

**WHEREAS**, the Assignee, the Assignors, and certain other borrowers have entered into that certain Security Agreement, dated as of July 23, 2021 (as from time to time amended, restated, supplemented or otherwise modified, the “Security Agreement”);

**WHEREAS**, pursuant to that certain Assignment for Security - Patents, dated as of July 23, 2021, by the Assignors (the “Patent Security Agreement”) each Assignor granted to the Assignee, to secure its obligations under the Security Agreement, a security interest in all right, title and interest of such Assignor in and to certain intellectual property;

**WHEREAS**, the Patent Security Agreement was recorded at the United States Patent and Trademark Office (“USPTO”) at Reel 056972 Frame 0857 on July 23, 2021;

**WHEREAS**, each Assignor has satisfied the terms of the Patent Security Agreement and requests release of the entirety of the security interest granted and recorded against its intellectual property.

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignee hereby agrees as follows:

**SECTION 1. Defined Terms.** All capitalized terms used herein but not otherwise defined herein have the meanings given to them in the Patent Security Agreement.

**SECTION 2. Termination and Release.** The Assignee, without representation, warranty, or recourse, hereby:

(a) terminates the Patent Security Agreement and terminates, cancels, discharges, and releases all of its security interests in and to all right, title and interest of each Assignor (and any of the borrowers or other obligors under the Security Agreement) in and to all intellectual property (including, but not limited to, all Collateral under the Patent Security Agreement), whether granted pursuant to the Patent Security Agreement or otherwise (and including, but not limited to, the Patents listed on Schedule A attached hereto);

(b) assigns and transfers to each Assignor all of its right, title and interest in and to all intellectual property (including, but not limited to, all Collateral under the Patent Security Agreement), whether granted pursuant to the Patent Security Agreement or otherwise (including, but not limited to the Patents listed on Schedule A attached hereto) thereby; and

(c) authorizes the recordation of this Release with the USPTO or any similar office or agency within or outside the United States at each Assignor’s expense.

The Assignee agrees to take all further actions, and provide to each Assignor and its successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), reasonably requested by such

Assignor, at such Assignor's sole cost and expense, to more fully and effectively effectuate the purposes of this Release.

**SECTION 3. Choice of Law.** This Release shall be governed by and construed in accordance with the laws of the State of New York.

**IN WITNESS WHEREOF**, the Assignee has caused this Release to be duly executed as of the date first set forth above.
