U.S. NON-PROVISIONAL PATENT APPLICATION ASSIGNMENT

---

I,

**Donald Roy Greenlee**, a citizen of U.S.A., residing at 679 Callender Lake Drive, Murchison, Texas 75778;

have invented certain inventions and improvements disclosed in a U.S. non-provisional patent application entitled "**SLEEVE FOR DOWNHOLE TOOLS**," the specification of which was filed at the United States Patent and Trademark Office on April 2, 2020, and assigned application serial number 16/838,809; and

**Nine Downhole Technologies, LLC**, a Texas corporation, having a principal place of business at 2001 Kirby Drive, Suite 200, Houston, Texas 77019, desires to acquire all right, title, and interest in the same.

For good and valuable consideration, the receipt and sufficiency of which I hereby acknowledge, I, **Donald Roy Greenlee**, hereby sell, assign, and transfer to **Nine Downhole Technologies, LLC** the full, exclusive, and entire right, title, and interest in and to such application, in and to any divisions, continuations, continuations-in-part, reexaminations, and reissues thereof, and in and to all inventions and improvements disclosed and described in such application, preparatory to obtaining Letters Patent of the United States therefor; and I hereby request the Director of the U.S. Patent and Trademark Office to issue any and all Letters Patent of the United States resulting from such application, or from a division, continuation, continuation-in-part, reexamination, or reissue thereof, to **Nine Downhole Technologies, LLC** as the assignee, for its interest and for the sole use and benefit of **Nine Downhole Technologies, LLC** and its assigns and legal representatives;

For the same consideration, I hereby sell, assign, and transfer to **Nine Downhole Technologies, LLC** the full, exclusive, and entire right, title, and interest in and to any foreign application or applications corresponding to such application, in whole or in part, in jurisdictions other than the United States, in and to any Letters Patent and similar protective rights granted on such foreign applications, and in and to the right to claim any applicable priority rights arising from or required for such foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; such foreign applications to be filed and issued in the name of **Nine Downhole Technologies, LLC** or its designee to the extent permitted by applicable law;

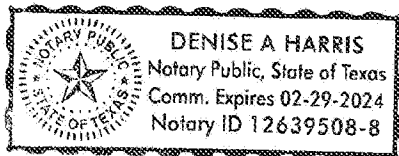

AND, for the same consideration, I agree to sign all lawful papers, execute all division, continuing, continuing-in-part, reexamination, reissue, and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Nine Downhole Technologies, LLC, its successors, assigns, and nominees to obtain and enforce proper protection for all such inventions and improvements in all jurisdictions throughout the world.
