## INVENTION ASSIGNMENT AGREEMENT

This INVENTION ASSIGNMENT AGREEMENT (this "Agreement") is entered into as of January 31, 2022, by and between BOXIE LLC, a Minnesota limited liability company, of 3838 Cottage Lane, Minnetonka, Minnesota 55305 (hereinafter "BOXIE"); and Brooks H. Lindall of 16051 Hilltop Road, Eden Prairie, MN 55347 (hereinafter "Lindall") (singularly a "Party" and collectively the "Parties").

WHEREAS, Lindall is an inventor of an invention currently known as: "CONTAINER FOR DISPENSING BAGGED LIQUIDS" (hereinafter the "Invention") briefly described as follows:

*A container for dispensing bagged liquids has a cover that is removably attached to a base and an aperture. The base has a compartment and a slanted ramp and the bag holding the liquid is placed inside the compartment on the slanted ramp. The aperture receives the spigot from the bag holding the liquid and the liquid is dispensed through the spigot. The compartment may be insulated. The cover is removable and exchangeable so that the decorations on the cover can be matched to the décor, event, season, or other preference. A method of using the container for dispensing bagged liquids includes placing the bag holding the beverage in the container with the spigot of the bag being placed in the aperture, placing a glass under the spigot, and dispensing the liquid.*

Lindall further agrees that if any part of the assignment contemplated by this Agreement is held to be invalid and/or inadequate under the law of any jurisdiction, then Lindall shall execute such further documents as may be necessary to perfect BOXIE's interest in the Invention and all patents, patent applications, or other legal right associated with the Invention. All such documents shall be prepared at BOXIE's own expense. Lindall further authorizes BOXIE or BOXIE's designated attorney or agent, to file such applications for patent or other legal protections as the Invention may be entitled to in and under the law of any and all jurisdictions where it may be entitled to such protection.

No waiver of any term, provision, or condition of this Agreement shall be valid unless given in a signed writing.
10. **Severability.** Whenever possible, each provision and term of this Agreement shall be interpreted in a manner to be effective and valid. However, if any provision or term of this Agreement is held to be prohibited or invalid, then such provision or term shall be ineffective only to the extent of such prohibition or invalidity, without invalidating or affecting in any manner whatsoever the remainder of such provision or term, or the remaining provisions or terms of this Agreement.

14. **Counterparts.** This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all Parties hereto, notwithstanding that all the Parties have not signed the original or the same counterpart. Any counterpart hereof signed by a Party against whom enforcement of this Agreement is sought shall be admissible into evidence as an original hereof to prove the contents hereof.
