ASSIGNMENT

WHEREAS, Conbraco Industries, Inc. ("Assignor"), a North Carolina corporation having a business address of 701 Matthews Mint Hill Road, Matthews, North Carolina 28105, pursuant to a written assignment to Assignor by inventors Daniel Foster and Matthew Williams, owns all right, title, and interest in and has the right to assign to Assignee International Patent Application Serial No. PCT/US2019/018482 for *Adjustable Anti-Freeze Faucet* filed on February 19, 2019, and any inventions described or claimed therein (collectively "the Patent Application"); and

WHEREAS, The Mosack Group, Inc. ("Assignee"), a North Carolina corporation having a business address of 701 Matthews Mint Hill Road, Matthews, North Carolina 28105, wishes to acquire full title to the Patent Application;

NOW, THEREFORE, be it known that for the sum of One Hundred U.S. Dollars (US \$100) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers, and sets over to Assignee, its lawful successors and assigns, Assignor's entire right, title, and interest in and to the Patent Application, any invention disclosed or claimed therein, and the right to sue for all infringements of any patent issued therefrom, to be held and enjoyed by Assignee as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignor authorizes and requests any official whose duty it is to issue patents to issue to Assignee or Assignee's successors, assigns, or nominees, any patent resulting from the Patent Application, including any patent resulting from a national phase patent application filed in any country pursuant to the Patent Application and any continuations, continuations-in-part, divisions, extensions, substitutions, reissues, re-examinations, patent-filings within priority chains thereof, and patent filings claiming priority to patent filings in such priority chains.

Assignor hereby covenants that Assignor has the full right to convey the interests assigned hereby, Assignor will take all action and execute all documents necessary to perfect the interests assigned hereby, and Assignor has not executed and will not execute any agreement in conflict with this Assignment.

Assignor further covenants and agrees that Assignor, through its officers and employees, will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to Assignor and its officers and employees respecting the invention and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to the invention in Assignor, its successors and assigns, and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for the invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be born by Assignee, its successors and assigns.

IN WITNESS WHEREOF, the parties have executed this Agreement as set forth below.
