ASSIGNMENT

WHEREAS, I, Jason Rembert of Superior, CO, have invented certain new and useful inventions ("Inventions") described in whole or part in the United States provisional and United States non-provisional applications identified in Exhibit "A" (hereinafter "Applications"); and

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of FoodMaven, Inc., (hereinafter "Assignee") having a mailing address at P.O. Box 1692, Colorado Springs, CO 80901, do sell, assign and transfer unto Assignee, its successors, legal representatives and assigns, the Inventions for all territories in the world and any improvements and modifications thereto, the Applications, all applications from which the Applications claim the benefit of priority, all applications claiming the benefit of priority from the Applications, including, but not limited to, all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the inventions, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the Inventions in the United States or any other country and the right to sue for past infringement of rights resulting from the Inventions, the Applications or any patent issuing therefrom; I also assign any right, title or interest in and to the Inventions which has not already been transferred to Assignee, I warrant that I have made no assignment of the Inventions, Applications or patent therefor to a party other than Assignee, and I am under no obligation to make any assignment of the Inventions, Applications, or patent therefor to any other party; and I further agree to cooperate with Assignee in the obtaining and sustaining of any and all such Letters Patent and in confirming Assignee's exclusive ownership of the Inventions, but at the expense of Assignee.

For and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I, Jason Rembert do sell, assign and transfer to Assignee, the right to claim priority to the Applications for all applications pursuant to the Patent Cooperation Treaty and national and regional applications filed therefrom, all applications for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications thereof, and all patent applications in foreign countries and the right to be granted a patent for any of the foregoing applications.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Assignee, its successors, legal representatives and assigns, as an assignee of an equal, undivided right, title and interest therein.

IN WITNESS WHEREOF, each party hereto has executed this Assignment as of the date indicated hereunder.
