PATENT ASSIGNMENT

I, John Bell, of 1937 Ivy Hall Road, Charleston, South Carolina 29407 (the “**Assignor**”), in consideration of One Dollar and other valuable consideration paid to me by Southern Bell Brands, LLC, a limited liability company of South Carolina, having its principal place of business at 1937 Ivy Hall Road, Charleston, South Carolina 29407 (the “**Assignee**”), the receipt of which is hereby acknowledged, do hereby sell, assign and transfer unto said Southern Bell Brands, LLC, its successors and assigns, the entire right, title, and interest, and all rights to claim priority for the United States of America and all foreign countries, in certain inventions or improvements below-identified, described in applications executed by me and filed or about to be filed in the United States Patent Office, and in all Letters Patent of the United States and all foreign countries, including international patent applications under the Patent Cooperation Treaty, the Paris Convention for the Protection of Industrial Property, or any other international treaty or convention on intellectual property, which may or shall be granted on said invention, or any parts thereof, or on said application, or any divisional, continuing, reissue, reexamination or other applications based in whole or in part thereon, including, but not limited to, the applications for Letters Patent filed in:

Country Code	Application/Patent No.	Filing/Issue Date
US	29/845,870	July 11, 2022
US	D880,651 S	April 7, 2020

I hereby authorize and request the Assignee’s attorneys to insert the application number(s) and filing date of said application(s) for Letters Patent, when known.

I hereby covenant that I have full right to convey the entire interest and priority rights herein assigned, and that I have not executed, and will not execute, any agreement(s) in conflict herewith, and agree that this assignment is binding on Assignor and Assignor’s heirs, successors, assigns and legal representatives.

And I agree, for me and my executors and administrators, with said corporation and its successors and assigns but at its or their expense and charges, hereafter to execute all papers necessary in connection with any post-grant proceeding which may be declared concerning any application or grant for the invention; and to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to said corporation, with specifications and claims in such form as shall be approved by the counsel of said corporation

PATENT
