ASSIGNMENT

For valuable consideration, the receipt of which I acknowledge, and intending to be bound legally, I, PIERRE DUPONT, assign or confirm assignment to CHILDREN'S MEDICAL CENTER CORPORATION, a corporation formed under the laws of Massachusetts and having a principal place of business at 55 Shattuck Street, Boston, MA 02115, and its successors, transferees, and assignees (collectively the "Assignee"), all of my right, title, and interest throughout the world in the invention(s) (the "Subject Matter") described in a patent application that names me as inventor, is titled "OPTICALLY GUIDED SURGICAL DEVICES," and was filed in the United States Patent and Trademark Office on January 30, 2020, as application 16/776,775 and on June 17, 2016 as application PCT/US2016/038147 (the "Application").

This Assignment assigns or confirms assignment, in addition to the Subject Matter, (a) the Application and all other applications that may be made for, and all patents, utility models, design registrations, and other rights of exclusion and inventors' certificates for, any of the Subject Matter (collectively the "Applications and Granted Rights") in every country or region and under every treaty or convention, (b) the right to claim priority based on and the benefit of the filing date of any of the Applications and Granted Rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other applicable treaties or conventions, and (c) the right to pursue, collect, and retain in the Assignee's name or otherwise, damages and any other remedies arising from any past, present, or future infringement of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment.

To the extent any portion of the rights assigned by this Assignment has previously been assigned to the Assignee, this Assignment is a confirmation of the previous assignment.

I authorize the Assignee to apply for and pursue protection for any or all of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment in all countries, regions, and territories of the world, in my name or in the Assignee's name.

I represent and warrant that I have the right and power to make this Assignment and that I have not made and will not make any other assignment that conflicts with this Assignment.

I will communicate to the Assignee (or, at the request of the Assignee to other parties) all known facts in any form relating to the Subject Matter; will execute and provide all oaths and

declarations, statements, testimony, assignments, powers of attorney, applications, and documents; and will perform all other lawful acts necessary or desirable to secure fully to the Assignee the rights, titles, and interests assigned by this Assignment.

I was under obligation to make this Assignment on June 17, 2016, at least to the extent that this assignment does not confirm an earlier assignment.

Pierre Dupont
