## ASSIGNMENT

WHEREAS, we, Himanshu Ranpura and Chad C. Van Liere, residing at 4805 West Darrell Road, Laveen, AZ 85339 and 6445 S. Maple Ave #2124, Tempe AZ 85283, respectively, have invented certain improvements in:

### **MARKER DELIVERY DEVICE FOR TISSUE MARKER PLACEMENT**

described and claimed in an international application according to the Patent Cooperation Treaty (PCT) thereon, said application having been executed by us concurrently herewith; and

WHEREAS, C.R. Bard, Inc., a corporation organized and existing under the laws of the State of New Jersey, having a place of business at 730 Central Avenue, Murray Hill, New Jersey 07974, is to acquire the entire right, title and interest in and to said invention and said international application;

NOW, THEREFORE, in consideration of the sum of ONE DOLLAR (\$1.00) to us in hand paid, and for other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, we do hereby assign, sell, transfer and set over unto said C.R. Bard, Inc., its successors and assigns, the full, entire and exclusive right, title and interest, for the territory of the United States of America and for all foreign countries, in and to said invention, as described in the application identified above, and in and to said application and any divisions or continuations or continuations-in-part thereof or substitutes therefor which may be filed, and in and to any patents or reissues, renewals or extensions thereof which may be granted on said application or for said invention, and in and to any patent application which may be filed on said invention in countries foreign to the United States of America and any patents granted thereon; said invention, applications, and patents or reissues, renewals or extensions thereof to be held and enjoyed by said C.R. Bard, Inc., and its successors or assigns, to the full end of the term or terms for which said patents or reissues, renewals or extensions thereof may be granted, as fully and entirely as the same would have been held by us had this assignment not been made.

We hereby authorize and request the Patent and Trademark Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all of said patents or reissues, renewals or extensions thereof, when granted to said C.R. Bard, Inc., as the assignee of our entire right, title and interest in and to the same, for the sole use and enjoyment of said C.R. Bard, Inc., its successors and assigns.

Further, we agree to execute all papers and to give such lawful testimony and to perform such other lawful acts as said C.R. Bard, Inc., its successors and assigns may require to enable it or them to procure said patents on said invention or reissues or extensions thereof in the United States of America and/or in any foreign country, and/or to hold, enforce or convey said patents, reissues or extensions.

Executed this 30th day of December, 2008.
