ASSIGNMENT

Lehigh Defense, LLC, a Pennsylvania Limited Liability Company having an address at 130 Penn Am Drive, Suite D Quakertown, Bucks, Pennsylvania (hereinafter "Assignor") in consideration of the sum of Ten Dollars (\$10.00), or the equivalent thereof, and other good and valuable consideration, the sufficiency of which and receipt of which are hereby acknowledged, paid to Assignor by

Lehigh Defense, LLC

a Limited Liability Company organized under the laws of Texas, and located at 150 CR 4603, Bogata, TX 75417 (hereinafter "Assignee"), does hereby sell, assign, and transfer to said Assignee, its successors and assigns, its entire right, title, and interest for all countries of the world in and to the invention entitled:

ARMOR-PIERCING CAVITATION PROJECTILE

described in U.S. Patent Application No. 10,036,619 and issued on July 31, 2018 together with all improvements thereto; and all patent applications based upon said application, and all divisions, continuations, continuations-in-part, renewals thereof and rights of priority therein, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom, said interest being its entire ownership interest in the same, to be held and enjoyed by said Assignee, its successors, assigns, or other legal representatives, to the full end of the term thereof, as fully and entirely as the same would have been held and enjoyed by it if this assignment and sale had not been made, including all rights of Assignor to recover for past infringement thereof;

And for the consideration aforesaid, Assignor does hereby covenant and agree to and with said Assignee, its successors and assigns, that whenever Assignee, its counsel or representative, or the counsel or representative of its successors or assigns, shall advise that an amendment to, or a division of, or any other proceeding or action in connection with an application concerning said invention is lawful and desirable, or that a reissue or continuation or extension of such application or patent issuing therefrom is lawful and desirable, Assignor will sign all papers and drawings, take all rightful oaths and affidavits, and do all acts necessary or required to be done for the procurement of all lawful rights associated with the invention, or for the reissue or continuation or extension of the same, will do all acts necessary or required to secure in said Assignee, its successors or assigns, the title to and full benefit of all rights hereby assigned, without charge to said Assignee or its successors or assigns, but at its or their expense; and Assignor does hereby appoint every present or future officer of said Assignee as its agent to sign all such papers and to do all such necessary acts on its behalf, to the fullest extent permitted by law;

And Assignor does hereby authorize and request the U.S. Commissioner of Patents and Trademarks and any other granting authority to issue any Letters Patent for the aforesaid

inventions and improvements and application(s) concerning same to the Assignee as the assignee of the entire right, title, and interest in and to the same, for the use of the Assignee, its successors and assigns;

And furthermore, Assignor does hereby covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to another by it and that Assignor possesses the full right to convey the same as herein expressed.

Assignor does hereby declare under penalty of perjury under the laws of the United States of America, and under penalty of the laws of any other jurisdiction before which this document may be presented, that it has signed this document as its own free act and that all of the foregoing is true and correct.
