ASSIGNMENT

WHEREAS, I, Padmavathi Ramuni of Plymouth, MN ("Inventor") have invented certain new and useful improvements in PARKING METHODS AND SYSTEMS, for which patent applications have been made, and which may be identified in the United States Patent Office by Application No. 62/778,642, filed 12-DEC-2018 and by Application No. 16/712,687, filed 12-DEC-2019, and according to the Patent Cooperation Treaty as Application No. PCT/US2019/066063, filed 12-DEC-2019 (the "Invention").

WHEREAS, MUNICIPAL PARKING SERVICES, INC. ("Assignee"), a company organized and existing under the laws of the state of Minnesota, and having its principal office at 12450 Wayzata Boulevard, Suite 200, Minnetonka, MN 55305 USA, is desirous of acquiring the entire right, title and interest in and to said Invention, said application and in, to and under any and all Letters Patent to be obtained therefor, both foreign and domestic;

NOW, THEREFORE, for good and valuable consideration to Inventor in hand paid by said Assignee, the receipt of which is hereby acknowledged, Inventor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto the said Assignee, its successors and assigns, Inventor's entire right, title and interest in and to said Invention, said applications, all applications claiming priority to said applications, including all perfections, conversions, counterparts, national phase filings, divisions, continuations, continuations-in-part and renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue therefrom including all reissues or extensions of such patents including all of my rights under the International Convention, and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patents to the above mentioned Assignee in accordance herewith.

Inventor hereby authorizes the above mentioned Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the date of execution and/or filing date and application number of said application when ascertained.

Inventor further authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all countries, and additionally to claim the filing date of said United States applications and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration Inventor does hereby covenant and agree with the said Assignee, its successors and assigns, that Inventor will not execute in writing or do any act whatsoever conflicting with these presents, and that Inventor or Inventor's executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended

Letters Patent of the United States, or of any and all foreign countries on said Invention, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

IN WITNESS WHEREOF, Inventor has hereunto set their hands and affixed their seal as dated below.
