RELEASE

This Release of Security Interest is dated as of June 9, 2015, is by NJK INVESTMENTS, LLC, a Nevada limited liability company (the "**Lender**").

- A. A Patent and Trademark Security Agreement, dated as of January 30, 2012, has been filed in the United States Patent and Trademark Office (the "**Security Agreement**").
- B. In connection with the Security Agreement, Prodea Systems, Inc. ("**Grantor**") granted to Lender a security interest in certain of its now existing or hereafter acquired intellectual property (collectively, the "**Collateral**").
- C. Grantor has requested Lender to release any and all right, title and interest in and to the Patent Rights (as defined below) held as Collateral and Lender wishes to release any and all such right, title, and interest.

NOW, THEREFORE, FOR VALUE RECEIVED, Lender does hereby irrevocably and unconditionally release any and all right, title or interest of any kind that exists today and may exist in the future in and to the following intellectual property held as Collateral and all rights therein of any type or description including, without limitation: (a) the patents and patent applications listed on Exhibit A attached hereto (the "**Patents**"); (b) all patents and patent applications (i) to which any of the Patents directly or indirectly claims priority, (ii) for which any of the Patents directly or indirectly forms a basis for priority, or (iii) that were co-owned applications that incorporate by reference, or are incorporated by reference into, the Patents; (c) all reissues, reexaminations, extensions, continuations, continuations in part, continuing prosecution applications, requests for continuing examinations, divisions, registrations of any item in any of the foregoing categories (a) and (b); (d) all foreign patents, patent applications, and counterparts relating to any item in any of the foregoing categories (a) through (c), including, without limitation, certificates of invention, utility models, industrial design protection, design patent protection, and other governmental grants or issuances; (e) all items in any of the foregoing in categories (b) through (d), whether or not expressly listed as Patents above and whether or not claims in any of the foregoing have been rejected, withdrawn, cancelled, or the like; (f) inventions, invention disclosures, and discoveries described in any of the Patents or any item in the foregoing categories (b) through (e) that (i) are included in any claim in the Patents or any item in the foregoing categories (b) through (e), (ii) are subject matter capable of being reduced to a patent claim in a reissue or reexamination proceeding brought on any of the Patents or any item in the foregoing categories (b) through (e), or (iii) could have been included as a claim in any of the Patents or any item in the foregoing categories (b) through (e); (g) all rights to apply in any or all countries of the world for patents, certificates of invention, utility models, industrial design protections, design patent protections, or other governmental grants or issuances of any type related to any item in any of the foregoing categories (a) through (f), including, without limitation, under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, or any other convention, treaty, agreement, or understanding; (h) all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights under, or on account of, any of the Patents or any item in any of the foregoing categories (b) through (g), including, without limitation, all causes of action and other enforcement rights for (1) damages, (2) injunctive relief, and (3) any other remedies of any kind for past, current, and future infringement; and (i) all rights to collect royalties and other payments under or on account of any of the Patents or any item in any of the foregoing categories (b) through (h) (the "**Patent Rights**").

Lender hereby authorizes Grantor or Grantor's authorized representative to (i) record this Release with the United States Patent and Trademark Office (ii) file UCC Financing Statement Amendments with the applicable filing office in order to terminate UCC financing statements filed on behalf of Lender against the Grantor and/or (iii) otherwise file this Release.
