WHEREAS, **MONDAY.COM LTD.**, a corporation of **ISRAEL** whose post office address is **52 Menachem Begin Road, Tel Aviv 6713701 ISRAEL** (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to each and every invention described and/or claimed in the Applications (collectively referred to herein as "the Disclosed Inventions") in all countries throughout the world, and in and to all applications for patents thereon in all countries throughout the world, and all PCT International applications and all national stage applications based thereon that may be filed, and all patents issued upon such applications in all countries throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I/We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to the Disclosed Inventions as described and/or claimed in any and all of the above-referenced applications (to the extent I/We have such interests, and regardless of whether I/We are explicitly identified as an inventor on any particular application of the above-referenced applications), any and all national stage applications based thereon that may be filed, any other applications for patents filed anywhere in the world that claim or may claim any of the Disclosed Inventions, and all divisions, and continuations of any such applications, and all patents which may be granted thereon, and all reissues thereof, and all rights to claim priority in any country on the basis of any such applications, and all extensions, renewals, and reissues thereof; and I/We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any other country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for the Disclosed Inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE further covenant and agree that I/We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting the Disclosed Inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to any and all of the Disclosed Inventions in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for the Disclosed Inventions in the United States and any other country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
