ASSIGNMENT

I, Scott A. Smith, have made an invention which now is described and claimed in an application for patent entitled **MOUNTING BRACKET ASSEMBLIES AS WELL AS SUSPENSION ASSEMBLIES, KITS AND METHODS INCLUDING SAME**, which application

- ☐ is being executed and filed concurrently herewith.
☒ was filed on October 1, 2019 and now is designated as United States patent application number 62/909,194.

NOW THEREFORE, pursuant to the obligations imposed by or arising under one or more of my employment agreement(s), advisor agreement(s), state or national statutes, common law, and administrative regulation, I hereby do make the following assignments –

To **FIRESTONE INDUSTRIAL PRODUCTS COMPANY, LLC**, a corporation created and duly organized under the laws of the State of Tennessee and having a place of business at Nashville, Tennessee, and its successors and assigns, I hereby

- assign, transfer, and set over the full and exclusive worldwide right to the above-described invention and to the above-described application for letters patent of the United States as well as any substitute, continuation, continuation-in-part, or divisional application filed thereon and to any letters patent of the United States that issues from such application(s) as well as any reissue application or request for reexamination filed on such letters patent;
 - covenant and agree for myself and my legal representative(s) to
 - a) assist said assignee and/or its designee(s), to the extent requested, in the prosecution of said application for patent, in any interference declared on said application for patent or patent issuing therefrom, or in litigation which arises out of or is based on said application for patent or patent issuing therefrom, and
 - b) execute all papers related to said application for patent which said assignee or its designee(s) request to be signed,
- provided that expenses relating thereto shall be borne by said assignee; and
- authorize and request the Commissioner of Patents and Trademarks to issue any letters patent of the United States relating to the above-described invention in the name of said assignee.

To **FIRESTONE INDUSTRIAL PRODUCTS COMPANY, LLC** a corporation created and duly organized under the laws of the State of Tennessee and having a place of business at Nashville, Tennessee, and its successors and assigns, I hereby

- assign, transfer, and set over the full and exclusive right to any application for letters patent filed in any regional or national patent office other than the United States Patent and Trademark Office;
 - covenant and agree for myself and my legal representative(s) to
 - a) assist said assignee and/or its designee(s), to the extent requested, in the prosecution of any such applications for patent or in litigation which arises out of or is based on said application(s) for patent or patent(s) issuing therefrom, and
 - b) execute all papers related to said application(s) for patent which said assignee or its designee(s) request to be signed,
- provided that expenses relating thereto shall be borne by said assignee.

IN WITNESS WHEREOF, I have executed this document on the date next to my name.
