**ASSIGNMENT**

WHEREAS, I/WE, the below named inventor(s), (hereinafter referred to as Assignor(s)), have made an invention entitled:

**BUILDING STRUCTURE**

described in U.S. Application No. 16/487,521 filed on 21 August 2019 as a U.S. National Phase application of International Application PCT/AU2018/050164 (International filing date 26 February 2018), and

WHEREAS, **PARKD LTD**, an Australian company having a place of business at 45 Ventnor Avenue, West Perth, Western Australia 6005, Australia (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to all applications for patents filed in all countries throughout the world on this invention, and in and to all Letters Patent to be issued for this invention throughout the world;

NOW, THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I/We, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to this invention, and the above-referenced application(s), and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the above provisional application (if any), as well as all rights to claim priority on the basis of this application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof;

AND, I/WE HEREBY covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent

protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns,

AND I/WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND I/WE HEREBY authorize and request my/our agents, MH2 Technology Law Group LLP, whose address is 1951 Kidwell Drive, Suite 310, Tysons Corner, VA 22182, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said application when known.

IN WITNESS WHEREOF the Assignee has signed this Assignment and acknowledges receipt of all rights conveyed by this Assignment.
