ACKNOWLEDGEMENT, ASSIGNMENT AND UNDERTAKING

This agreement is made as 20 February 2020.

BETWEEN

- I. Jamieson CHRISTMAS of c/o 1a Garforth Place, Knowlhill, Milton Keynes MK5 8PG, United Kingdom (hereinafter referred to as “the Inventor”); and
- II. ENVISICS LTD incorporated and registered in England and Wales with company number 09958534 whose principle place of business is at 1a Garforth Place, Knowlhill, Milton Keynes MK5 8PG, United Kingdom (hereinafter referred to as “the Company”).

WHEREAS:

- A. the Inventor has made one or more inventions and other subject matter (hereinafter collectively referred to as “the Invention”) identified in the records of the Company as case P200044 and subject of UK patent application GB 2002275.2 filed on 19 February 2020 and PUPIL EXPANSION (hereinafter referred to as “the Patent Application”); and
- B. it is agreed that all rights, title and interest in the Invention including the Patent Application and the right to claim priority to the Patent Application belong to the Company.

NOW IT IS HEREBY AGREED as follows:

- 1 the Inventor acknowledges that the Invention was made either:
 - 1.1 in the course of their normal duties as an employee of the Company, at the time of making the invention, or in the course of duties falling outside their normal duties, but specifically assigned to them, and the circumstances in either case were such that an invention might reasonably be expected to result from the carrying out of their duties; or
 - 1.2 in the course of their duties and, at the time of making the Invention, because of the nature of their duties and the particular responsibilities arising from the nature of their duties they had a special obligation to further the interests of the Company;
- and accordingly the Inventor acknowledges that:
- 1.3 the Invention belongs to the Company;
 - 1.4 the Patent Application, and the right to claim priority to the Patent Application, belong to the Company; and
 - 1.5 the Company is exclusively entitled to any right they may have as inventor to the grant both within and outside the United Kingdom of any patents or other protection in respect of the whole or any part of the Invention.

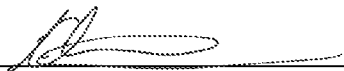

2 In consideration of the payment by the Company of the sum of One Pound (£1) to the Inventor, the receipt and sufficiency of which the Inventor hereby acknowledge, the Inventor (to the extent that they have any rights) hereby ASSIGNS to the Company their entire right, title and interest in the Invention including the Patent Application, the right to claim priority to the Patent Application in and outside the United Kingdom and the right to any granted patents arising from the Patent Application and the right to make further patent applications, including divisional and continuation patent applications, for the grant of a patent in respect of the whole or any part of the Invention and for similar or other protection in any country in the world and the right to claim priority to any such patent applications in and outside the United Kingdom TO HOLD the same unto the Company absolutely.

3. The Inventor hereby covenants that at the request and at the cost of the Company, the Inventor shall promptly execute all such documents and do all such things as may be necessary or convenient for obtaining the grant of a patent or other protection in any other part of the world in respect of the Invention and for vesting the Invention and such patent or other protection in the Company or as the Company may direct.

4. Nothing in this Agreement shall affect the rights of the Inventor under Sections 39 – 43 of the UK Patents Act 1977.

5. This Assignment shall be governed by and construed in accordance with English law. All parties irrevocably agree that the Courts of England are to have exclusive jurisdiction to settle any dispute that may arise out of or in connection with this Agreement. All parties irrevocably submit to the jurisdiction of such courts and waive any objection to proceedings in any such court on the ground of venue or on the ground that the proceedings have been brought in an inconvenient forum.

Signed by:

The Inventor
