**ASSIGNMENT OF APPLICATION FOR
INDUSTRIAL DESIGN REGISTRATION AND PATENT**

FOR GOOD AND VALUABLE CONSIDERATION,

I/We, the undersigned hereby agrees to assign for good and valuable consideration, receipt of which is hereby expressly acknowledged, and do hereby sell, assign and transfer unto

Mustang Sampling LLC

a Limited Liability Company organized under the laws of the state of Delaware as Assignee, and its successors, assigns and legal representatives, the entire worldwide right, title and interest, for all countries in and to certain inventions relating to

IN-LINE THERMAL ISOLATOR

described in the application for International Registration of Industrial Designs filed with the World Intellectual Property Organization (WIPO) indirectly via the United States Patent and Trademark Office, identified as Attorney Docket No. 1018.0089H, at CAHN & SAMUELS, LLP, 1100 17th Street N.W., Suite 401, Washington, DC 20036-4650 and filed on December ????, 2018, and given Serial No. 35_____, and the designs, invention(s) and improvement(s) set forth therein, and any and all applications for Industrial Design registration and protection including any design or Letters Patents, continuations, continuations-in-part, divisionals, and renewals of and substitutes for said International Registration, and all the rights and privileges under any and all registrations, patents, designs, models, and/or Letters Patent that may be granted therefor in any country, and any reissues, or reexaminations, or extensions thereof. I/We request that any and all registrations and/or patents for said design inventions be issued to said Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I/We agree that, when requested, I/We will, without charge to said Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining registrations and patents for said designs and inventions in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

I/We authorize and empower the said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for registration of industrial design and/or patent or other form of protection filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me/us.

I/We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International convention which may henceforth be substituted for it.

I/We covenant with said Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that I/We have full right to convey the same as herein expressed.

IN WITNESS WHEREOF, I have hereunto signed my name on the day and year set forth below.
