Assignment

I, Pierpaolo PICCIOLI, residing in Italy, represent that I have invented a new design for "HEEL", for which I have executed an application for Letters Patent of the United States of America on July 9, 2021, under Serial No. 35/512,257, a United States designation of International Design Registration No. DM/215235 filed on July 9, 2021.

VALENTINO S.p.A. is organized and existing under the laws of Italy, has a place of business at Via Turati, 16/18, I-20121 Milano, Italy and desires to acquire the entire right, title and interest in and to the design, application and letters patent to be granted and issued thereon, including but not limited to the United States.

For valuable consideration, the receipt and legal sufficiency of which I acknowledge, I have sold and do hereby sell, assign, transfer and set over unto VALENTINO S.p.A., its successors and assigns, the entire right, title and interest in and to the design and all improvements thereon, in and to the applications for letters patent thereon, in and to applications pertaining to or based upon the design and application, including divisional and continuing applications and continuations-in-part, and in and to any and all letters patent which may be granted and issued on the design and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

I also agree that I will, at the request of VALENTINO S.p.A., execute any and all applications for letters patent for the design, execute any and all other papers and documents and do all other and further lawful acts VALENTINO S.p.A., may deem necessary or desirable to obtain letters patent on the design, to secure the grant of such letters patent and to protect and vest in the undivided interests in the right, title and interest in the design, applications and letters patent. Counterpart and electronic signatures are acceptable.
