## INVENTION ASSIGNMENT

This Invention Assignment ("Assignment") is made and effective as of the last of the respective dates shown in the signature block hereto (the "Effective Date") by the Assignor (as described below) in favor of New York City Industries for the Blind, Inc., a not-for-profit corporation duly organized under the laws of the state of New York, and having its principal place of business at, 3611 14<sup>th</sup> Avenue, Brooklyn, New York 11218 ("Assignee").

WHEREAS, I, Nesthan Qamer, an individual residing at Ginar Mah. Manas Sk. Hacı Sabir Bey Apt. No:25 D:4 (the "Assignor") have invented a new and useful process, machine, manufacture, or composition of matter, or a new and useful improvement therefor, in certain matters described broadly as blood flow restrictors and labeled generally as a "Mechanical Tourniquet" and a "Pneumatic Tourniquet" (the "Inventions");

WHEREAS Assignor wishes to assign to Assignee all right, title, and interest in, to, and under said Inventions, any Patent Applications and any and all Letters Patent which may be granted for or upon said Inventions in the United States of America and all countries foreign thereto; and

WHEREAS, Assignee desires to acquire all of Assignor' right, title, and interest in, to, and under said Inventions, any Patent Applications and any and all Letters Patent which may be granted for or upon said Inventions in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor, by this Assignment and these presents, does hereby assign and transfer and hereby confirms such assignment and transfer unto said Assignee the full and exclusive right, title and interest, throughout the world:

In, to and under said Inventions as discloses herein;

In, to and under all filings, refilings, divisions, continuations and continuations-in-part of any Patent Applications in the United States of America;

In, to and under any and all Letters Patent of the United States of America which may issue from refilings, divisions, continuations and/or continuations-in-part thereof;

In, to and under any and all reissues and reviews of said Letters Patent of the United States of America;

In, to and under any and all applications for Letters Patent upon said Invention which may hereafter be filed in any and all countries foreign to the United States of America;

In, to and under any and all refilings, divisions, continuations and/or continuations-in-part of said foreign-filed applications;

In, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions, continuations and/or continuations-in-part; and

In, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America,

the same to be held and enjoyed by said Assignee for its own use and behoof, and for its successors, legal representatives, and assigns, to the full end of the terms for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent of the United States of America in accordance with this assignment.

1. **RIGHTS INCLUDED.** The transfer and assignment, as described above, shall also include the right to sue for past infringements of the Inventions disclosed herein, and any Letters Patent that may issue therefrom (whether known or unknown), and to hold for Assignee's own use all recoveries had in such suits, without need for accounting to Assignor. In any such litigation, Assignor shall provide reasonable cooperation, at Assignee's expense.
2. **REPRESENTATIONS.** Assignor represents and warrants that Assignor has the sole and exclusive ownership interest in and title to the Inventions (other than as may exist pursuant to a co-inventorship); that Assignor has not granted to any third party any rights that would conflict, in any material way, with the rights granted herein to Assignee; that, to the knowledge of Assignor, the Inventions are not being infringed by any third party; and that Assignor has the full right, power, and authority to make the herein assignment.

3. **COMMUNICATIONS.** Assignor hereby authorizes Assignee, with respect to the Inventions and any Patent Applications and Letters Patents that may issue therefrom, to communicate with the United States Patent & Trademark Office with the same effect as though such communications were made by or with Assignor directly, and hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office (or any other similar U.S. or foreign governmental agency) for recordation of this document:

KUTAK ROCK LLP  
All practitioners at Customer Number 97242.

4. **FURTHER ASSURANCES.** Assignor agrees to execute and deliver to Assignee and to perform such tasks as Assignee may reasonably require in order to vest in Assignee full and complete record title to the Inventions disclosed herein and any Letters Patent that may issue therefrom. For this limited purpose, Assignor hereby appoints Assignee as its attorney in fact to execute and deliver to Assignee, on behalf of Assignor, any and all such documents or instruments. This appointment shall be deemed to be a power coupled with an interest and shall be irrevocable.

*IN WITNESS WHEREOF*, the Assignor and Assignee have executed this Assignment as of the dates shown below.
